

Queens, Feb. 17th. 1858.

My dear Sir,

I am p[leas]ed to hear that Mr. Lova
is to be a candidate for the place of Dis-
trict Attorney. No man, certainly, has
stronger claims to it, or, I should hope,
has, would be so likely to obtain it.
Anything that he or his friends may con-
ceive to be in my power, towards fur-
warding that object, I shall be most
happy to do.

I congratulate you on your own
prospects; and though I cannot greatly
say that I shall regret as you see.
I shall certainly find something
to console me in it. I am in that happy
position between the candidate and
the incumbent, that neither event will
quite overwhelm me with grief.

Very truly Yours,

Wm. H. Hunt
