BUILD

THERE is little to indicate lower prices in all metal products, than now prevailing. In fact there are signs and indications for advances in some lines and especially is this likely in nails as it now looks like there will be another "nail famine" the coming year as was experienced in the summer of 1920.

PLUMBING MATERIALS were recently reduced somewhat in price but since this cut have again been advanced.

YOU will gain little advantage in postponing your building and by doing so, are certainly delaying your own independence.

HOOVER EUROPEAN RELIEF FUND TO CLOSE

In accordance with instructions from headquarters, the local committee in charge of collecting funds for European Relief will close the subscription list Saturday night.

In view of the subscriptions which had been previously sent to the Literary Digest Fund those in charge feel well pleased with the amount raised in this city. To date \$438.00 has been collected and there is close to \$50 more to be turned in from the sale of the Christmas food cards to the school children, so the total will be very close to Five Hundred Dollars. In addition to this amount, \$264 had been forwarded to the Literary Digest from the Chamber of Commerce and subscriptions left with Mr. Hartman before any organization was effected to raise the thirty-three million asked for to take care of these children till next harvest; and the committee was informed of several individual subscriptions which had been sent to the same fund. So while the amount credited to the Sierra Madre on the books of the Committee in Los Angeles may fall a trifle short of Five Hundred Dollars, in reality at least a Thousand Dollars has been sent from this town for this most worthy cause, and taking into consideration the size of the city, this is a most creditable showing.

A thing which has been a source of great gratification to those on the committee here, has been the spirit in which the money has been given. In practically ninety-nine percent of the subscriptions, the money has been accompanied with an expression of deep sympathy with the work and sincere regret that the amount given could not be many times larger.

The money given by the school children has a special interest. When the work was first outlined in the National Committee, it was decided to sell Christmas cards stating that a certain amount had been given in such and such a name, these cards to be sent to friends at Christmas. The cards reached California entirely too late for the purpose designed and in most communities were not used. Here, through the sympathetic cooperation of Prof. Reynolds and other teachers, they were offered to the school children as certificates that they had given food to keep a child alive in Europe for a stated time. A point stressed in selling them was that the children were asked to either earn the money to buy them or else to give up some luxury they had been given money to buy, such as a picture show or candy and so on, that they might have the satisfaction of feeling that through their own individual work or self sacrifice, some hungry boy or girl was to have something to eat for a certain time. The response of the children was more than gratifying, both in the amount and the spirit in which they gave.

Mr. Elmer A. Green, secretary for the Southern District of the California State Committee, stated that

this was the only place he knew of where these cards had been utilized and he quoted Sierra Madre's action to other cities as an example of initiative.

Where individuals have been unable to contribute so far but are to do so in the future, contributions will be received at the Los Angeles office for the Southern District, 219 H. W. Hellman Bldg., indefinitely.

SPECIAL DAY TO VISIT ORANGE SHOW

Wednesday, February 23rd has been set aside as "San Gabriel Valley Day" at the National Orange Show which is to be held in San Bernardino from February 18th to 28th. The Associated Chambers of Commerce of San Gabriel Valley are urged to make a special effort to attend on that day. Our local C. of C. is in receipt of a letter from Mr. Charles P. Bayer, Secretary of the Association, outlining a plan to make the attendance from this section noticeable.

"It has been suggested that as many of us go in a body as possible taking our lunch which we can all eat together at Urbita Springs Park at the Orange Show.

We will meet on the Foothill Boulevard in front of Claremont High School at 10 A. M. and all drive over in a procession from there. This will give our valley considerable advertising as the Orange Show people will meet us and escort us through the city."

It is hoped that Sierra Madre people, and especially Chamber of Commerce members who are expecting to visit the Orange Show, will make a point of going on this day and meeting the delegations from the other towns at the point designated. Any one who has attended the meetings of the Associated Chambers knows what a jolly crowd gathers from the seventeen towns composing the Association and an expedition of this kind is sure to be most enjoyable in such company.

The Secretary of the Sierra Madre Chamber of Commerce has at her office, 25 N. Baldwin Ave., special family tickets with four admissions to the Orange Show, price \$1. These tickets would be particularly desirable for those making up parties for this day.

NINETY-SIX YEARS OLD WEDNESDAY

Samuel Stork, 223 West Laurel Avenue, celebrated his ninety-sixth birthday Wednesday. He was born in Philadelphia, February 16, 1825. He does not get around as active as some young men, but his mind is keen. He is familiar with current events and reads the newspapers daily without glasses. His reminiscences of the Mexican and Civil wars are interesting in that he has traveled much over this western country. He has lived in California since 1913. The News wishes him many more happy birthdays.

DIRECTOR'S MEETING OF CHAMBER OF COMMERCE

A meeting of the Board of Directors of the Chamber of Commerce will be held at the office of the Secretary, Monday evening, February 21st, at 8 P. M.

All members of the Board are urged to make a special effort to be present as important matters relative to the welfare of the organization will be considered.

"JIMMED" HIS FORD

W. E. McCrary was driving slowly, of course, east on Grandview Tuesday morning when a bi-car coming down Canyon at thirty some, stoned immediately in the path of the Ford, with the result that mechanics in the Sierra Madre Garage were kept busy the greater part of Tuesday afternoon, re-arranging Mr. McCrary's means of travel, while he tried to figure out why the fellow driving the bi-car asked questions concerning his driving.

APPOINTED TO MEMBERSHIP ON EXTENSION COMMITTEE

Captain J. A. Osgood and W. H. Holabird have been appointed to membership on the extension committee of the Society, Sons of the Revolution, for the City of Sierra Madre. The Board of Directors of this society look to Sierra Madre for not less than two new members, this number being based upon the quota allotted according to population. In a letter to the News, Third Vice-President Editor, Pierson W. Banning says: "No other nearby city of the same size has responded the last year so well as Sierra Madre in its patriotic response, and we anticipate no trouble in securing at least the quota from among its leading citizens this year. Sierra Madre is one of the representative communities from which we anticipate an enthusiastic response."

Captain Osgood authorizes the News to state that anyone eligible to membership will receive a visit from him if they will call him or communicate with him. Anyone who has positive proof of relatives having fought in the Revolution is eligible, but this proof must be positive.

FIREMEN'S CLUB MEETING WEDNESDAY NIGHT

Next Wednesday night is the regular meeting of the Firemen's Club at the City Hall. Every member is urged to be present as there are important matters to come before the club for discussion. Eight o'clock is the hour.

TO SING AT THE SHAKESPEARE CLUB

Miss Gertrude Cook will be a guest at the 12 o'clock luncheon to be given at the Pasadena Shakespeare Club Park, February 18. Miss Cook will sing two numbers during the entertainment following the luncheon. Miss Frances Webster of Lamanda Park will play Miss Cook's accompaniment.

P. E. SAFETY COMMITTEE HERE

The P. E. Safety Committee, composed of the heads of the different departments, visited Sierra Madre officially Tuesday afternoon. Mr. A. C. Bradley, superintendent of the Northern Division, S. R. Florence, signal supervisor and J. A. Selfridge, roadmaster, each spoke highly of the general appearance of the P. E. properties here.

LADIES AID HAS ENJOYABLE AFTERNOON

The Ladies Aid Society of the Congregational Church was delightfully entertained with a valentine party at the home of Mrs. J. C. Beers, 121 S. Mountain Trail Avenue, on Tuesday afternoon.

A most interesting program was prepared by the hostesses, Mrs. J. C. Beers and Mrs. Harry Dumas, consisting of a violin solo by Mrs. Clinton Hawkins, accompanied on the piano by Mrs. Conyers Twycross, vocal solo by Mrs. Donald Ashmore, accompanied on the piano by Mrs. George B. Morgridge and a reading by Mrs. Beers.

The remainder of the afternoon was spent in playing Valentine games, after which, delicious refreshments, appropriate for Saint Valentine's Day were served by the hostesses to about forty-five ladies.

REPRESENT THE NEWS IN THE CANYON

C. E. House of 674 Woodland Drive has consented to represent the Sierra Madre News in the canyon. If you have any news, job printing, subscriptions or advertising, Mr. House will take care of you. At the present his telephone is Green 127. Any courtesies extended to him will be appreciated by this publication.

FELGATE RECEIVES LARGE ORDER

W. W. Felgate has received an order for 150,000 Red Emperor grape vines to be delivered next spring to parties in Antelope Valley. Mr. Felgate is busy setting out the cuttings in his nursery gardens on West Highland Avenue. We understand that the Red Emperor is the finest grape on the market for cold storage, and is also a wonderful producer. We have tasted fruit from the Antelope Valley and the pears especially are delicious.

PAINTING AN IMMENSE TRUCK

J. D. Tucker is painting a big Mack truck, at the Sierra Madre Garage for his son-in-law, Hiram Clark, of the Lankershim Grain Company. The truck has a ten thousand pound capacity, is thirty feet long and is a regular mogul in the way of trucks.

"EVERY DAY LIFE IN SIERRA MADRE"

This is the title of one continual scream of comedy that will be staged at the Club House next month by the Firemen's Club. Announcement of a definite date will be made next week. Full particulars cannot be given this week as those in charge must submit plans to committees at the regular meeting of the Firemen's Club next Wednesday night. "Every Day Life in Sierra Madre" will surprise you in its realism and some of the stunts to be pulled are remarkable in their originality.

"The Feast of the Holy Innocents"

The Cast in Order of Appearance
Joan Oberly, The Irish wife of the Village Blacksmith...Mrs. Woodson Jones.
Cornelia Milk and Electa Milk, two fussy spinsters longing for a bit of lifeMrs. W. R. Morgan and Miss Leah Fletcher
Lizzie Oman, Society leader of Lakeport Mrs. Genevieve Neutzel
Jennie, Bukom daughter of JoanEthel Karpf
A most delicious bit of small town stuff, delighting us with the clever maneuvering of the Milk sisters to see the great Bernhard.

"The Neighbors"

The Cast
Grandma Mrs. J. C. Dickson
Mrs. Diantha Abel, leader of the "Patch"Mrs. Frank Wright
Ezra Williams, afraid of overworkingMr. Elliot Rhodes, Sr.
Peter, the shy clumsy suiterMr. Frank Wright
Inez, daughter of DianthaMrs. Bruegger
Mrs. Elmira Moran, the gossip with a perpetual ache Miss Maude Gray.
Mrs. Trot, with a Buffalo BugMrs. W. E. Anderson
Mrs. Carry Ellsworth, with a sweetness that changes all Miss Yerda Appleby.

It would be difficult to find a more screamingly funny and yet pathetic play with its splendid message of unselfishness than "The Neighbors," and just as difficult, perhaps more so, to find a cast with as much appreciation of their totally different character parts, than these players. A gentleman visitor from Boston who stayed through one of the rehearsals said in all sincerity that he never saw character plays so well acted.

The managing director and producer is delighted to offer this interesting program to Sierra Madre and promises with the new scenery, which is being built, to give a correct setting to both plays which the cleverness of the players deserves. There will be good music and the evening performance will be followed by a dance.

Prices—Matinee, 35 cents and 50 cents plus tax, evening. A small block of choice seats 75 cents. Reserved seats 50 cents. General admission 35 cents.

CHRIST AND THE COUNTRY

He told men of the lilies, and of the grass that grew—
Fair things of the Summer fields our Master knew!
By the hedgerows flowering—there He laid His head—
It was in the country that our Lord was bred!
Beyond the city wall—under the open sky—
Out in the country did our Savior die!
When He rose to Heaven—from the hills, the flowers and grass,
Up from the open country did the Lord Christ pass!

SIERRA MADRE AUTHOR'S SONG HEARD IN KANSAS CITY

"Resignation," a song written by Mrs. L. E. Lyon, 101 Auburn Street, was sung at the First Presbyterian Church of Kansas City, Sunday, February 6 by Miss Velma Loraine Lyon niece of Mrs. Lyon. Miss Lyon also sang Sousa's "Stars and Stripes Forever" the same evening to the Boy Scouts.

 So beautiful am I,
 My mountains are my rounded breasts
 Kissed by my lover Sky,
 Some call it California
 This God-kissed form of mine
 But you may call it yours if you
 Will be my valentine

The above is by Henry J. Mitchell, an ex-soldier, who has lived in Sierra Madre for about seven months. Mr. Mitchell represented Sierra Madre in a valentine contest given by the Examiner and won second prize, his poem being selected from a total of over 14,000.

Follow-up is a letter from the managing editor of the Examiner to Mr. Mitchell:

Woman's Club

Valentine Party

The Valentine party given by the Woman's club on Monday afternoon proved to be a most novel and interesting function and was enjoyed by a large number of ladies regardless of the inclemency of the weather.

The interior of the club house was a blaze of color, an effect produced by a bewildering array of red hearts of various sizes, which were hung in graceful festoons overhead and cleverly shaded the electric lights, throwing a warm red glow over the entire scene. The game of the afternoon was hearts in which Mrs. W. R. Morgan received a prize for having the highest score. Each guest, upon entering the club house, was presented with a small bag of hearts from which she was requested to forfeit a heart to any lady whose question she answered with "yes" or "no," thus furnishing a great deal of merriment.

Mrs. Virginia L. Roess received the first prize for having the largest number of hearts and Miss Jean Woodward, second.

Valentine Dance

Just a reminder that this evening Feb. 18, is the date of the Valentine dance which is being given by the Woman's club. Spot dances with suitable prizes, excellent music and a good time are promised attractions.

Newton will throw open her beautiful home on Live Oak avenue and act as hostess at a colonial tea, which she is giving with the interest of the club at heart. The ladies of Sierra Madre are cordially invited to attend and enjoy an afternoon at cards or bring their fancy work. Twenty-five cents admission will be charged and the proceeds will go to help swell the fund which is to be expended in furnishing the club parlors.

It is planned to have a series of these teas at the various homes about twice a month. At this function Mrs. Newton will be assisted by Mrs. W. H. Inerham and Mrs. J. Milton Steinberger.

INDEED HE WAS LUCKY

The Pasadena Post says that J. Jackson of Sierra Madre, considered himself lucky, when thieves stole only the steering wheel from his auto on Saturday night, when former Senator Frank P. Flint, H. G. We lost a perfectly good rim and tire not long ago, when we parked a car near a motion picture house on East Colorado, immediately under a big street light, and a Pasadena policeman laughed at us when we "told the world" what we thought of police protection in Pasadena.

SENATOR ROMINGER SPEAKS

Emphatic warning to all California that the State Administration at Sacramento had camouflaged under the so-called King excess tax bill pending in the Legislature a measure to saddle an additional tax of approximately \$15,000,000 upon the people in the new state tax budget has just been issued by State Senator J. A. Rominger, of Long Beach.

The camouflage, Senator Rominger declared, was that the bill ostensibly laid the bulk of the excess tax upon the public utility corporations, transportation, power, light, gas, phones, banks, insurance and others, but in fact the tax, the Senator declared, would be passed on to be paid by the people by higher bills for public utility service.

"This is a time," Senator Rominger asserted, "when the state administration should join the individual, the business house and the public utility in a program of extreme retrenchment. Economy should be the watchword throughout California's state offices and heads should fall wherever they can be lopped off to lower the state payroll where such elimination would not impair the essential business force of the state.

"I am holding no brief for public utility companies when I say that this proposed excess tax will be a grossly unjust burden that must be ultimately paid off by the people under the guise of public utilities companies to add the tax to their bills for service to the people and thus be reimbursed for their tax to the state.

"I declare this proposed \$81,000,000 state tax budget proposed by the King bill and favored by Governor Stephens and his commissions of well-paid officials to be wholly out of proportion not only to last session's \$47,000,000 tax budget, but entirely contrary to the need for strict economy in state affairs.

"This is an era of unparalleled extravagance on the part of the California state administration during the great war such things were deemed unavoidable. But the war and the whole world is adjusting itself to a program of economy and retrenchment. To the taxpayer who is struggling might and main to keep his head above the wave of expense, the spectacle of the state administration loading upon him an extra \$15,000,000 tax when he might reasonably expect a reduction in taxes, is appalling.

"I warn the people to protest

against this tax, for eventually they must pay it of this King bill passes when the legislature resumes February 24. I urge them to write or otherwise communicate with Governor Stephens and the members of the Legislature from their districts and strongly urge the defeat of the King bill. Expense in state affairs must be lessened instead of increased.

"In the legislature, before the present recess, our minority pleaded and pleaded with the state board of control to give us the details of the tax budget, to give us a chance to see for ourselves whether millions could not be lopped off the payrolls and other expense. The legislature by vote demanded these details, but to date no such details have been given. The King bill should be defeated."

TELEPHONE COMPANY IN PROTEST

The following is a communication sent to Senator J. A. Rominger by the Sierra Madre Telephone and Telegraph company:

Sierra Madre, Cal., Feb. 4, 1921.

Senator J. A. Rominger, Long Beach, Cal.

Dear Sir: The Sierra Madre Telephone and Telegraph company desires to express its approval of your attitude upon the King Tax bill now pending in the legislature of this State. As one of the public utility corporations menaced by the provisions of said bill we feel it our duty to make a protest and to state that the amount of taxes upon us is not disproportionate to the amount paid by the individual taxpayer. Any additional taxes imposed upon this corporation would tend to make our business unprofitable, and would result in our being compelled to apply for an increase in our rates.

We do not object to bearing our proper share of the tax burdens of the State, but we do believe that the King bill is unjust and inequitable, and that it would be a public calamity if enacted into law. We hope you will continue your opposition to the enactment of this injurious piece of legislation.

Yours respectfully,
Sierra Madre Telephone and Telegraph Company, per W. E. Farnum, Manager.

S. M. Tel. & Tel. Co.,
Sierra Madre, California.
Attention W. E. FARNUM, Mgr.
Gentlemen:

Permit me to acknowledge receipt of your letter of the 4th inst., and to thank you for the same. I have taken the stand I have on this question because I think it is for the best interests of the people I serve, in standing for the strictest economy in State expenditures; especially at this particular time. I want to see a square deal for all concerned—that and that alone.

Again thanking you,
Very sincerely,
J. A. ROMINGER.
