opia TA BALSAMICA, Sector of the Commissioner OPIATA BALSAMICA,
DEL DR. GUERRERO.

THIS OPIATA, a recent discovery, is a certain safe
and convenient remedy for that species of disease
called Gomothosa or Gleet. Its reputation has been gea-rally established in South America, and has commanded
the written testimonials of the Medical Faculty of that
section of the Globe, relative to the speedy and infallible
results which have attended its application to all cases of

Gomerrica. The OPIATA BALSAMICA is put up in small leader The OPIATA BALSAMICA is put up in small leader pets, accompanied with directions, and may be conveniently carried in the pocket both by persons travelling, and by these who may wish to avoid exposure, either to a physician or to their friends.

It is in the form of an agreeable paste, and is taken in such a manner as to render it "tasteless," by being wrapped up in a wafer pr pared for that purpose, a sufficient number of which will be delivered with the medicine.

cent number of water will be delivered with the measure. But the greatest advantage which it peasures, is, that it invariably produces a redical cure of the disease in a few days, without affecting the most delicate constitution, owing to its containing the slightest particle of successy. n its composition.

Before the Agent would offer it to the public is the country, he has had its efficacy tested by several of the most respectable physicians in the city of New York Their success has fully justified the declaration, that it is the best medicine they ever used, and they have in con-sequence, generously consented to be referred to as to the
