POLITICAL PLATFORMS.

Party managers are expert in erecting political platforms, but the public also knows a thing or two about these edifices. It has learned from long experience that in most cases they are more vote traps than expressions of political principle.

All that is sought in return for these glittering pledges is the permission of the public to run the country's affairs and to spend the public's money.

There was a time when political platforms were accepted by the electors at the valuation their builders placed upon them, but that time has nearly passed away. The electorate has discovered that what a political platform actually is depends entirely upon the kind of men behind it, not what it looks like.

The National Liberal and Conservative Party which has just been formed at Ottawa to continue the Unionist party as a permanent political group has drawn up a platform which is designed to attract the support of all classes of the electorate. Next week it will select its leader. That selection will reveal in unmistakable colors precisely what the National Liberal and Conservative Party is and what it is going to be.

SEATTLE-VICTORIA AERIAL MAIL.

According to advices from Seattle official arrangements have been made for the commencement of a hydro-aeroplane mail service between the Sound City and this port. One of the objects of the proposal is the saving of time in the delivery of Oriental mail to points immediately south of the border.

THE PROHIBITION ACT.

On his return from a tour of the Interior the Leader of the Opposition in the local Legislature describes the administration of the British Columbia Prohibition Act as a veritable farce throughout that section of the Southern part of the Province which he included in his itinerary.

Mr. Bowser knows perfectly well that the chief result of the amendments to the Act which came into force on the first day of last month has been a tremendous reduction in the number of prescriptions issued, and consequently a very largely reduced sale of liquor.

To detect and put an end to the subterranean traffic arising from the importation of liquor would require a couple of thousand additional police officials and spies at a cost that would immediately rouse a protest in the breast of the Opposition Leader whose concern for the Provincial Treasury has very much quickened since the days when a few hundred thousand dollars were considered a mere drop in the bucket.

EXTEND TIME IF NECESSARY.

If it is necessary to extend the time for closing the new voters' lists in order to obtain a more complete registration there should be no hesitation on the part of the Government in making the necessary provision. It is obvious, however, that the work of compilation must be concluded with as little delay as possible for the reason that the prohibition plebiscite should be taken before the end of the year and preferably well before the Christmas season.

THE LETTERS OF AN EMPRESS.

The Manchester Guardian, one of Great Britain's most widely known and influential of provincial newspapers, is to publish extracts from a series of about one hundred and fifty letters written by the Russian Empress to the Emperor during the course of the year 1915. It is asserted that three main threads run through the letters—besides an almost hysterical affection for the Emperor—namely, fear of exposure of Rasputin, hatred of the Duma and everything democratic in Russia, and wild jealousy of the Grand Duke Nicholas.

These epistles are not likely to disclose anything of which the world had no knowledge before the revolution. It was common property, for instance, that the Czar was a mere puppet on the end of a string controlled by the Empress and the mystic monk, but jerked, according to the needs of the case, by Berlin. The Russian court was a hive of intrigue and one of the chief sources of anguish for the Empress was the frequent display on the part of her husband of a desire to be honest with his Allies in their cause against the central powers.

Exposure of Rasputin, of course, would have meant the untimely removal of the prime atmosphere of mystery which the Empress and her cohorts so deftly employed to bring the Czar under the particular spell which fitted the plot afoot. Hatred of the democratic Duma was the natural corollary, and as an outstanding obstacle to her designs, the Grand Duke Nicholas could not expect to escape the displeasure of the scheming niece.

NOTE AND COMMENT

The result of the election in Winnipeg under the system of proportional representation gives the Liberals four more seats, Conservatives two, Labor two, Socialists two. This probably reflects the distribution of the electorate of the constituency more accurately than any other system could.

Said His Worship the Mayor in an interview yesterday: "If a delegation of young girls, for whom the curfew is supposed to be such benefit, would come before the Council and urge that the curfew be run, saying that it would be to their advantage, why, then I should think more of the plan." Did you ever hear of a chicken bending its head for the axe?

The manner in which the Mayor and Citizens of Port Angeles greeted the Victoria excursionists on Dominion Day is the type of neighborly feeling that knocks the bottom out of the propaganda which emanates from the press of William Randolph Hearst.

The position of the three leaders in the race for the Democrat nomination for the presidency is somewhat similar to that of the trio who led the contest in the early stages of the balloting for the Republican nominations. McAdoo and Palmer have developed a good start in the first and second ballots with Governor Cox a rather remote third, the totals being, respectively, 289, 264 and 134. Close observers do not believe that either of the three can gain sufficient strength to win the nomination and if that view be found correct a very interesting struggle will mark this phase of the proceedings, culminating in the selection of somebody with a relative position in the race at present very much like that of Harding in the opening laps of the Republican contest.

OTHER NEWSPAPERS' VIEWS

THE LOYAL CITIZEN.

(From article by F. H. Du Vernet, Archbishop of Caledonia, Prince Rupert, B. C.)

As an individual he finds himself a member of a community. A city it may be. If this city is to prosper there must be a strong community spirit amongst its people. There are hundreds of branches of service people. There are for the benefit of any one individual in particular, but for the common welfare. If he likes he can pick his way through the various windings of civic life bent only on reaching his own selfish goal, but would this be worthy of a true citizen? Let him rather keep before him a vision of a better city yet to be, as he follows this leading light: Be loyal.

As an individual he finds himself a member of a nation. Men of various races may be gathered into this Dominion of Canada, but in this vast country there is going on a process of welding together. We have now a history behind us, a link with the past, and we have before us a future bright with untold possibilities. If he likes he can answer as one did before the military tribunal when asked if he did not think he owed a duty to his country, "No, I work hard enough for my living," but would this answer be worthy of his manhood? Whatever be the personal cost, let him devote himself to a cause greater than himself, a cause for which the king is the visible rallying-point, and in the spirit of patriotism obey the call: Be loyal.

BUILDING TAKES SPURT; SAANICH HAS BIG LEAD

For the first six months of 1920 permits for materials only amounted to \$105,075, making a building expenditure of \$175,000. This is almost exactly three times the building expenditure for 1919.

Building in Saanich is still lagging far behind the demand. Most people are postponing operations because they think that prices may fall any day and then they will be able to get their work cheaper.

Starts Rabbit Industry. In Victoria, N. L. Sadler began construction this week on a rabbitry at 145 Beechwood Avenue. He plans to develop rabbit breeding into a big industry in Victoria.

COMMENTS ON BORDEN'S COURSE

Edmonton Bulletin. Edmonton, July 3.—Commenting on the retirement of Sir Robert Borden, The Bulletin says:

"His selection for party leadership was the result of a compromise. His attainment of office and continuance in office is universally credited to the sagacity and exertions of others than himself. It can fairly be said that his political career throughout showed no evidence of qualifications or leadership comparable to his choice of time and occasion for quitting it—it is indeed, the influence which secured the success of his party in 1911 and 1917 that are now dictating his retirement."

In connection with the new party, The Bulletin says: "The tariff as it stands is frankly class legislation. This is the policy that is not specifically repudiated in the new confession of faith. It indicates that Big Business, which made Sir Robert Prime Minister in 1911 with the slogan 'No truck or trade with the Yankees' and kept him Prime Minister in 1917 by writing 'Conscription' on the job, is still on the job."

London Comments. London, July 3.—(Canadian Associated Press)—The Times editorially under the heading "An Imperial Statesman," says: "Sir Robert Borden's retirement from the leadership of the Canadian Unionist Party will be received by the Mother Country, as well as Canada, with deep regret. Under his guidance Canada won equal nationalhood within the Empire. He is one of the great figures of the war and neither Canada nor the Empire can ever forget the debt we owe him."

New York Comments. New York, July 3.—(The Coalition Government at Ottawa has shown none too much strength even under such a tried leader," says The Evening Post in an editorial regarding the resignation of Sir Robert Borden. "Whoever is chosen as his successor faces a difficult task," the newspaper says, "and faces in the new Liberal Party, a determined and aggressive opposition under the leadership of Mackenzie King."

The newspaper believes the tariff will be the chief issue in the event of a general election. Concluding, it says: "There has been much discontent with the tenacious hold of the war Government and now that post-war radicalism has subsided but one reason apart from party ambitious blocks a Coalition surrender to an election. That is the fear that, as in Manitoba this week, the mixed political situation would result in a majority for no single party, four or five groups dividing a confused Parliament."

HARRY E. CONNON DIES IN VANCOUVER. Vancouver, July 3.—A widely known old-timer and citizen passed away at his residence in the Denman Apartments yesterday in the person of Harry E. Connon, at the age of sixty, after a lingering illness. Mr. Connon came here thirty-two

COUNCIL WILL MEET ONCE IN TWO WEEKS. City aldermen are having a vacation now. During the rest of the Summer, unless Mayor Porter rules otherwise, they will meet in formal session only once every two weeks. As there was a meeting of the City Council yesterday there will be no session Monday, and possibly none on the following Monday. The Mayor, who is opposed to any change in the system of holding meetings weekly, intimates that, if any business of importance comes up, he will call a meeting at any time he wishes.

COUNCIL OF DEFENCE MAY CONTROL POLISH NATION. Conference Considers Situation. Brussels, July 3.—The Allied conference, in session here, which has received alarming news regarding the progress of the Russian Bolsheviks in their offensive against Poland, will consider the military situation of the new republic, it was learned here today. Marshal Foch, Allied Commander-in-Chief, and Field Marshal Wilson, head of the British General Staff, have been consulted by the conference on this subject.

POLICE ARE WATCHING STRAWBERRY THIEVES. Considerable Quantities of Fruit Are Stolen From Farms. The police in the municipality of Saanich have recently received reports of the losses the strawberry growers in the neighborhood of Gordon Head have suffered through the depredations of boys who have cycled out to that neighborhood, entered grounds on the strawberry farms and stolen considerable quantities of berries. The names of several of the culprits have been obtained, and they have received a severe reprimand and warning in connection with these robberies. Should other such cases, however, be brought to the notice of the authorities, they will be more severely dealt with by the authorities, it is stated.

MR. TUCKER'S NAME. To the Editor:—In your report of the Police Court proceedings yesterday a case is recorded in which the name of Mrs. E. Tucker appears. Mrs. Tucker was divorced from me over a year ago, and has no authority to use my name any longer. EDWARD TUCKER, 338 Walter Avenue.

READERS, PLEASE NOTE! To the Editor:—Would you please put this little appeal in your paper to the citizens of Victoria who have a lot of flowers in their gardens. Myself and three or four men are totally disabled and have been in bed for years. I have been there since October, 1915. We should be very thankful if anyone would send us some flowers and also magazines to help make life a little more cheerful. Thanking you in advance, I remain your sincerely, GUNNER P. C. THOMPSON, Ward 3, Craigdarroch Hospital.

CANADIAN SPEEDBOAT SETS WORLD'S RECORD. Toronto, July 2.—The Globe this morning publishes the following from Burlington, Ont., dated yesterday: "Miss Toronto II. broke the world's record for one mile by motor boat here to-day with an average speed officially announced as 67 1-10 miles an hour. Her owner expects she will reach a speed of more than 70 miles an hour when she has undergone further tuning up."

COUNCIL WILL MEET ONCE IN TWO WEEKS. City aldermen are having a vacation now. During the rest of the Summer, unless Mayor Porter rules otherwise, they will meet in formal session only once every two weeks. As there was a meeting of the City Council yesterday there will be no session Monday, and possibly none on the following Monday. The Mayor, who is opposed to any change in the system of holding meetings weekly, intimates that, if any business of importance comes up, he will call a meeting at any time he wishes.

LETTERS. Letters addressed to the Editor and intended for publication must be short and legibly written. The longer an article the shorter the chance of insertion. All communications must bear the name and address of the writer, but not for publication unless the owner wishes. **BORDEN UNABLE TO BEAR BURDEN**

Told Caucus Retirement Absolutely Demanded By Physical Condition

Ottawa, July 3.—A summary of Sir Robert Borden's address to the Government caucus Thursday was given to the press last evening. In it the Prime Minister informed his followers that any further attempt on his part to carry on the onerous duties of his office would lead to a relapse in his health; that his medical advisers at best could only hold out hope for recovery after one year of complete rest; and that the direction of affairs of Canada could not properly be carried out by a Prime Minister who must spend the next year away from his duties. Therefore, Sir Robert had reluctantly decided on resignation.

The Prime Minister reviewed the history of Union Government from its formation and through the trying years of the war.

**Health Gave Way.**  
In September last his own health had given way and he had been compelled to go away until December to rest. Sir Robert stated that he had soon realized that he had not rallied effectively from his illness. He then placed himself in the hands of his medical advisers, who urged him to retire from his position. One of them had said that after a year's complete rest from work he might resume his duties if his labors could be lightened and the consequent strain diminished. Sir Robert then detailed the events which led to his further rest in the attempt to regain his health.

**A Struggle.**  
"Since my return," the Prime Minister stated, "I have had the opportunity of testing my capacity for resumption of my duties, and I am convinced beyond all question that to continue as Premier would mean a constant and unavailing struggle against impaired health and strength. Last December the most sanguine estimate of my condition demanded a complete respite from active work for at least a year. Any such advice was a counsel of perfection, which, as you must realize, was wholly impracticable. The Prime Minister of this Dominion, under present conditions, could not and should not abdicate his duties for any such period. On the contrary, the situation requires complete possession of full health and vigor by the person who is called upon to fulfill the responsibilities of the Premiership.

**Soon as Possible.**  
"Under these circumstances it would be most unfair to the country and to my supporters in Parliament if I did not relinquish as soon as possible the position which I now hold. Any difficulties consequent upon my retirement would be increased tenfold if I should struggle on for a few months and then relapse into the physical weakness which beset me last session.

"Perhaps I may venture to say, even from consideration personal to myself, this sacrifice ought not to be demanded. I entered public life in 1886, and for more than thirty years I led the party in opposition and for nearly nine years I have been Prime Minister. During more than four years of the latter period our country was involved in a struggle, effort and sacrifice wholly unprecedented in our history. For nearly two years we have been facing the problems of reconstruction. The strain imposed upon ministers since August, 1914, is not to be measured by years. It has left its effects upon every member of the administration, and notably upon myself.

**Honorable Discharge.**  
"May I add that, although the path of duty was not always to be discerned clearly, I never consciously departed from it, and I hope you will consider me entitled to an honorable discharge. I have the permission of His Excellency the Governor-General to inform you of my retirement in the immediate future."

The Prime Minister then expressed his gratitude to his colleagues and to his supporters in Parliament. The situation, he declared, was full of cheer; the position of the Government was steadily strengthened until to-day the party was more united, vigorous and determined than ever before. There was plenty of material within the party for the formation of a new administration. The party had suffered from lack of necessary work and reasonable activity outside the walls of Parliament.

"You must not depend solely upon Ministers for this work," Sir Robert warned his followers. "The executive and administrative work imposed upon them is almost overwhelming."

**Mr. Maclean.**  
Hon. A. K. Maclean, former Minister without portfolio in the Union Government, has probably sat for the last time to the right of the Speaker as a supporter of the Union Government. It was stated after propagation that Mr. Maclean and a number of other Liberal Unionists would apply to the Liberal Whip before the opening of the next session for seats on the Liberal side of the House.

**"CORNS"**

Lift Right Off Without Pain

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

**SAANICH AND CITY TO MEET ONCE MORE**

The dove of peace, which has been without a rest for the sole of her feet as far as the city and Saanich are concerned, soon will be hovering again over the relations between the two municipalities. After months of discord the Victoria-Saanich Beaches and Parks Committee, whose split has been the chief cause of trouble, is about to meet again, it was announced at the City Hall to-day.

The Saanich and Victoria representatives on the committee will re-assemble some day next week, and will proceed to conduct the business for which the joint committee was formed.

**MAXIMUM SPEED LIMIT INCREASED**

Three Accidents on Malahat Drive Mark Opening of Easier Regulations

In effect on July 1, the amended sections of the Motor Act, 1920, will permit a degree of latitude not known by Island motorists before. Inspector Murray, of the Provincial Police, in regretting the tendency towards speeding on the Malahat and other parts of the Island Highway, pointed out to The Times that the new Act will not help to settle the dangerous situation that is arising more acutely every day.

On the holiday there were three accidents on the lower section of the Island Highway, one at the Four Mile Hill, where a car overturned with four occupants; one at Mill Bay bridge, where another car left the road and hit a tree; and the third being a case of a truck driven by a Colwood man which went over the embankment on the Malahat, and fell fifty feet down the slope.

The last named accident was the only one that caused any damage to the occupants of the various cars, when the driver sustained twisted wrists that are likely to remain permanently maimed.

C. L. Harrison, clay prosecutor, speaking on the question of the 1920 Act, says that under its provisions thirty miles an hour is set as the speed limit with the following general exceptions: in cities, towns, villages, wooded country, and other places where by reason of any obstruction the driver may not have an unobstructed view for a reasonable distance, in which cases the speed limit is set at fifteen miles per hour.

**FORWARD MOVEMENT SHOWS PROGRESS**

Encouraging Reports Given at Presbyterian Synod Committee Meetings

Practically every presbytery in the Synod of British Columbia was represented at the meeting of the two synodical committees on Budget and Forward Movement held in Vancouver on Wednesday last, according to the Rev. J. G. Inkster, who returned to the city this morning.

Dr. Robert Laird, of Toronto, treasurer of the Presbyterian Church of Canada, conferred with the committees, and much business of importance was consummated. The two committees are now co-operating, and will send out joint resolutions to the various presbyteries dealing with the Forward Movement and the Budget. Among other matters decided upon has been that of making a simultaneous canvass of every individual in every presbytery, and efforts are to be made to double the budget for maintenance within five years.

Reports given at the meeting showed that the peace thank-offering subscribed by the Presbyterian Church in Canada was \$5,137,756. This has been taken to prove that the people of Canada are prepared to support the work of the church on a new scale and with a larger liberality, and the workers in the Forward Movement have derived much encouragement in consequence.

The Budget report revealed that in the past year the receipts for the whole Church had exceeded the expenditures by \$7,594, while in the matter of the maintenance of the colleges the proposed additions to the staffs will severely bring them to pre-war strength, and will require larger gifts from the various congregations because of the greater cost of upkeep. In this connection it is interesting to note that the enrollment of students has increased to 158 last year as compared with 77 in 1918-19.

**HARDWARE MEN GIVEN EXHIBITION**

McClary Manufacturing Company Stages Unique Exhibit

In St. John's Hall at 3.30 last night the Vancouver branch of the McClary Manufacturing Company staged an instructive series of stereoscopic and motion picture views of their growth from 1847. The pictures were excellently illustrated by T. G. Wall, Vancouver Island representative of the firm. Mr. Wall showed the expansion of the concern from a 33-foot lot with three men, to some 15 acres of plant with 35,000 employed at the present time. From a very small start in 1847 the McClary Company grew to be the largest of its kind in the British Empire, stated Mr. Wall, and now has a payroll of \$25,000 a week. Over 100 people were present at the exhibition, mainly representative of the local hardware dealers. The views referred to the London, Ontario, plant of the concern, which is the Dominion headquarters.

July Clearance Sale

*Lord & Spool* LIMITED

STORE HOURS—9 a.m. until 6 p.m. Wednesday Until 1 p.m.

July Clearance Sale

**The July Clearance Sale**

OFFERS an extraordinary opportunity to purchase seasonable merchandise at a big saving. It will pay you to purchase at these reduced prices. Note the following items carefully and decide to inspect the values offered.

**July Clearance in the Blouse Section Means Special Price Reductions**

The blouse section will specially interest those who would make economical and satisfactory selection at a very low price.

There are many high-grade models in net, silk, Georgette and voile, each one at a very substantial price reduction.

Note These:

**Silk Blouses**

Models of stripe habutai, flesh colored China silk and maize and white crepe de Chine, reduced to **\$3.50**.

Models of Georgette and crepe de Chine in sand, flesh, white or black, also striped habutai, to clear at **\$4.75**.

Models of Georgette and crepe de Chine in sand, flesh, grey, rose, navy, brown, white, also a few models in white net, reduced to **\$6.75**.

Models of Georgette and crepe de Chine in henna, flesh, white, sand and other desirable suit shades. These are all very high grade blouses, grouped in three lots to clear at **\$8.75, \$10.75 and \$14.75**.

**Lingerie Blouses**

A collection of highly desirable models that will particularly appeal to those who seek quality at a moderate outlay.

Included are many various styles in round, square and V necks; both long and short sleeve models are here; the dainty embroidered fronts make these very attractive. Grouped in four lots to clear at **\$2.95, \$3.95, \$4.95 and \$5.95**.

**Women's and Misses' Suits, Coats, Dresses and Separate Skirts at Exceptional Price Reductions**

Women's serge, gaberdine, Cheviot and fancy Tweed suits reduced to **\$27.50**.

Women's suits of wool Jersey cloth, Tweed and navy serge, reduced to **\$37.50**.

Women's navy serge, tricotine and wool Jersey cloth suits to clear at **\$47.50**.

Women's high-grade models of good quality tricotine, reduced to clear at **\$57.50**.

A few imported models of beautiful materials to clear at **\$75.00**.

Women's coats of polo cloth, Bolivia cloth, gaberdine, poplin and covert cloth; group in four lots and reduced to **\$19.75, \$25.00, \$35.00 and \$49.50**.

Dresses of crepe de Chine, taffeta, serge and wool Jersey cloth, reduced to **\$15.00, \$25.00 and \$35.00**.

Skirts of black and white plaid, Donegal, Tweed, satin, taffeta and plaid silk, reduced to **\$5.00, \$8.95 and \$10.00**.

**Extraordinary Values Are Offered in Children's Apparel**

When we say counter soiled, it does not mean that the wearing qualities are in any way impaired. The remarkably low price of the undermentioned articles will make it well worth your while to purchase for future as well as present needs.

Children's Sweaters, Muslin Frocks and Regulation Middies, slightly counter soiled, greatly reduced in price.

Children's White Jerseys and Knitted Sweaters reduced to clear at **\$2.25, \$3.95 and \$4.75**.

Children's Muslin and Pique Dresses, also Middies with detachable collars and cuffs, counter soiled; reduced to **\$1.95**.

Children's Navy Serge and Black and White Check Coats reduced to clear at **\$2.95, \$3.95 and \$5.95**.

**Notable Price Reductions on Trimmed Millinery**

Trimmed and Banded Hats, reduced to clear at **\$2.95**.

A collection of Trimmed Hats and Banded Sailors, etc., reduced to clear at **\$4.75**.

Table displays of trimmed models, reduced for speedy clearance, **\$5.50, \$10.00 and \$12.00**.

A worthy assortment of Imported Hats, including French models, reduced to **\$15.00 and \$18.00**.

Exceptional reductions have been made on all these hats.

Sidney, B. C.

**SOME BREAD IS STILL MORE COSTLY**

Price Is the Same, But Two Ounces Are Dropped

Grocers announced to-day that bread has made another jump in price above the one cent rise to twelve cents a loaf announced yesterday.

The increase to twelve cents a loaf announced yesterday because of the rise in the price of flour was for the eighteen-ounce loaf.

To-day a large part of the output has been cut down to sixteen ounces in weight. This is being sold for twelve cents, it is stated. Eighteen-

ounce loaves are still being sold. Grocers made the announcement about the revision downwards in the weight of bread to-day so that customers will understand the situation. They fear that some persons will blame them when they discover that they are getting two ounces short. Customers can always have eighteen-ounce bread by asking for it.

Bakers explained to-day that the sixteen-ounce loaves are extra choice and are known as oven bottom bread. These oven bottom loaves are baked in the best baking positions of the ovens. Bakers explain that they are practically all handled by hand and are made individually.

"The bakery trade really wants to get away from the sixteen-ounce oven bottom loaf as it is not very profitable," explained H. A. Amphlett, secretary of the Bakers' Association, to-day. The decreased weight is more than made up by the increased cost of the labor which is required to handle these loaves.

"Most of our output consists of the eighteen-ounce loaf, as most people prefer to buy it than the sixteen-ounce loaf at the same price of twelve cents."

**You'll Make the Greatest Progress in Sprott-Shaw Summer School**

Were talking now to you who have decided—or practically decided—to make the Summer vacation months an asset instead of a liability. All who have time on their hands this Summer and who have the ambition to acquire knowledge that produces income, are assured of making greater progress with us than elsewhere. All who seek coaching, or general instruction, in collegiate work also will cover more ground thoroughly and effectively in our Summer classes than elsewhere.

**Enroll Now for Summer School Classes, 8 a.m. to 1 p.m. Beginning July 5**

These Summer Classes are not a side line with us; they are a regular, planned, part of our school year. Because of our well known policy of individual instruction; because of our long experience; because of the high standards we have always required of our staff—we can guarantee you results modified only by your own personal capacity. Proof of this is evident in the remarkable success and growth of the Sprott-Shaw Schools, and especially of the Victoria Business Institute.

Practically everything required in modern business practice, in collegiate work (the latter in charge of our new department principal, A. G. Smith, M.A., late head of Victoria High School), or in special callings such as telegraphy, wireless, navigation, etc., can be taken up in these Summer Classes. There are no frills, no fol-de-rols; the work is interesting and effective; the hours are not tedious but we cover the ground.

Fees Are Most Reasonable. Call, Telephone or Write for Particulars. Act Quickly, as the Time Is Short.

## CHILDREN NEED HELP

Spanking doesn't cure bed-wetting—the trouble is due to weakness of the internal organs. My successful home treatment will be found helpful. Send no money, but write me today. My treatment is equally successful for adults, troubled with urinary difficulties.

MRS. M. SUMMERS, Box 95, Windsor, Ont.

### BRIEF LOCALS

Barber Shops Close Early.—On July 10 and, after that date, Victoria barber shops will close at eight o'clock in the evenings.

Allow No "Tag."—The City Council yesterday turned down the request of the Canadian Jewish Relief Committee for permission to hold a tag day in aid of the destitute women and children in Eastern Europe.

Summer Library Class.—A Summer class in library work for graduate university girls will be opened at the Public Library Monday, and will last for seven or eight weeks during the summer. Five young ladies will take the course.

Guild of Health Meetings.—On Wednesday evening, next a meeting for the members of the prayer circles will be held in the schoolroom of Christ Church Cathedral, when Rev. T. E. Rowe will be present to instruct the workers. All who wish to become members of prayer circles are invited to be present. On Thursday at 8 p.m., Rev. Mr. Rowe will give a public address in Christ Church Cathedral. The subject of address will be "The Redemption of the Body."

Accident This Morning.—At eight o'clock this morning a truck proceeding east collided with a car of the Flying Line, at the corner of Queens Avenue and Quadra Street, the car being northbound. Considerable damage was done to both vehicles. F. D. Hillis was driving the truck, and stated in his report that he was going about ten miles an hour, while the car, he claimed was doing twenty miles an hour.

Grand Army of United Veterans.—The first general meeting of recently formed organization of the Grand Army of United Veterans will be held at 8 p.m. on Monday next, in the Knights of Pythias Hall, North Park Street. All returned men who have already applied are earnestly requested to attend and bring with them at least one friend eligible for membership.

Orphans Have Outing.—Following a custom adopted for some years, Mr. and Mrs. S. E. Newton entertained a large gathering of children from the Orphan Home on Dominion Day, at the Beach Drive residence. Dr. Dier, and the Rev. C. E. Liddler assisted with cars in conveying the party to and from the residence. Bathing and boating was indulged in, and the merry gathering sat down to a memorable luncheon, which was followed by sports in the afternoon. On parting the 44 tired but merry children were taken back to their home with a gift of a toy apiece.

Army and Navy Veterans A.A.A.—Under the auspices of the Army and Navy Veterans—Amateur Athletic Association, a grand smoking concert will be held in the Club Rooms, Hamley Building, this evening at 8 o'clock. The chair will be taken punctually at this time by the Chairman of the Athletic Association, Dave Clark, who is too well known to need much introduction to the sports organizations of this city. It is expected that representatives of every sports organization in the city, both past and present, will be in attendance and a fine programme of vocal and instrumental music will be given. Mr. Deven is in charge of this end of the programme and a very enjoyable time is assured to those who are in attendance on this occasion.

Plaintive Query Received.—Writing to the Victoria and Island Development Association for information as to the local industries, scenery, and other necessities of a habitat, James Mumford of Palmetta, Florida, asks the following pertinent question—"Principally I want to know whether Vancouver Island has gone dry like this country? If so I am going back to New Zealand, my old home, being still British I believe in freedom." Dr. J. S. Plaskett also wrote to the Association thanking them for co-operation on the occasion of the visit here of the body of American astronomers recently, stating that that body went away very much impressed with the beauties of Victoria and the completeness of the Dominion Astrophysical Observatory.

## MOST FAMOUS EDIFICE IN EMPIRE WILL BE SCENE OF FIRST SERVICE

Westminster Abbey, for whose venerable fabric the Dean of Westminster has this week issued an appeal for \$1,250,000, and which will be the scene to-morrow of the opening service for the Bishops assembled in London from all parts of the world for the great Lambeth Conference.

Persons who start out to clear their land must find out the boundaries of their land before they start operations, and not go over on to neighbors' land and root out trees, Judge Lampman decided in the Elliott and Schroeder versus Chung Lung judgment handed down to-day.

## Will Now Appeal to Up-Island Points for Relief of Sufferers From Plague and Famine in Europe

## MUST NOT CLEAR NEIGHBOR'S LAND

A Saanich Man Continued Stumping Beyond Confines of Own Property

Persons who start out to clear their land must find out the boundaries of their land before they start operations, and not go over on to neighbors' land and root out trees, Judge Lampman decided in the Elliott and Schroeder versus Chung Lung judgment handed down to-day.

Chung Lung started land-clearing operations on an extensive scale in Saanich. So much momentum did the land clearing gain that they not only covered the Lung property but swept over the Elliott and Schroeder property pulling out trees. The owners of this neighboring land were annoyed at having their trees pulled out, as they had plans for having Saanich municipality take over the property for a park. They took the case to court.

"The defendant owed a duty to the adjoining owners which he has not fulfilled," said Judge Lampman to-day. "It seems to me that he was remiss in that duty and that he is responsible for the injury done by his contractor."

"Before permitting his contractor to enter on the land he should have ascertained the proper boundaries. It is unfortunate for him, but the cutting of the trees was a damage to the plaintiffs, who were not to blame in any way."

"The trees, I think, were really more of an ornament to the field in which they were situated than to those particular lots. In this way, I think the plaintiffs have overestimated their damage."

The Judge ordered Chung Lung to pay \$200 to Elliott and Schroeder for having cleared their land.

A ragged little Jewish orphan girl in Poland. One of the hundreds of thousands of the children of Warsaw.

## NEW CANDY TAX

Order Explains How Luxury Assessment Is to Be Made By Manufacturer-Retailer.

The latest order on the luxury tax on candy was issued to-day by Richard Jones, Collector of Inland Revenue.

This order says:

"In the case of a confectionery who manufactures and sells under the same roof, if the manufacturing business is kept entirely separate from the retail business, the luxury tax and sales tax of two per cent is applicable on the invoice price between the manufacturing business and the retail business, provided that the manufacturer invoices his retail branch at the regular selling price to the trade."

"If these branches are not kept separately, the luxury tax and a two per cent sales tax is applicable on the selling price of the goods to the consumer."

"Goods purchased from other manufacturers for sale in retail store are subject to the luxury tax and sales tax of two per cent at time of sale by the manufacturer of the goods."

## INCREASE INTEREST ON DEBENTURE ISSUE

On recommendation of the Finance Committee and City Comptroller James L. Raymur, the City Council decided yesterday to increase from 5 1/2 to 6 per cent the interest on debentures to the amount of \$44,000 issued to pay for the new Fairfield Road paving. The aldermen who supported the increase in interest held that it was highly necessary, in order to raise the money required, to sell the bonds as near par as possible even if more money had to be paid out in interest.

## HELPFUL ELIMINATION

"Well," said Farmer Corntossel, "I reckon I've done a pretty good afternoon's work."

"Put 'em up," commented Jud Tunkins, contemptuously, "was to sit on the fence and whittle."

"Yes; but what I whittled up was the family Oulja board."—Washington Star.

VANCOUVER SECURES MARKED LEAD IN CATBOAT CLASSES

Seattle, With Only Three Entries, Leads Victoria in Dinghy Regatta

Before a large gathering of the yachting fraternity yesterday, the finals in the catboat-dinghy class were completed.

Among some thirteen entries, number 10, Phillips, Vancouver, finished first, after a closely contested race, twice around the well known triangle course at Cadboro Bay.

In the second event of the afternoon, or the third of the dinghy series, number 15, Marshall, of Vancouver, finished first, with a margin of one point from the remainder.

The races were conducted on points, counting a point per entry defeated, and one margin for initial entry. The finals, computed on points from places in all three races gave the lead to Vancouver.

The aggregate of the hours went strictly to Vancouver, with Seattle in second place, with a good showing for the three boats entered, while Victoria failed to register.

In the aggregate of the hours went strictly to Vancouver, with Seattle in second place, with a good showing for the three boats entered, while Victoria failed to register.

The catboat has sprung into considerable prominence with this season's regatta, and it is stated in several sources that it will become one of the main events of the coastal yachting season in the future.

The Vancouver and Seattle type is favored rather above the local entry, Seattle is stated to be intending to build several more, while the Vancouver Yacht Club is going to build from fifteen to twenty additional to their already large fleet.

In the judges' charge a representative gathering from the visiting yacht clubs and the local organization watched the events of the day.

To-day five classes will be wound up in the final events. In addition to the finals in these there will be a scratch event for small craft under

BISLEY ENTRIES THIS YEAR HAVE FALLEN OFF

London, July 3.—(Canadian Associated Press)—Bisley entries show considerable decrease for the King's prize. There are 621 against 693 for last year; for the St. George's prize, 554 against 614; for Queen Mary's prize, 454 against 579; for the Stock Exchange prize, 427 against 664, and for the Alexandra prize, 408 against 651. The total entries number 7,659 against 8,180 last year.

Twenty-two feet, which will have a number of interesting entries. The success of the present gathering has been so phenomenal, it is stated, that a distinct impetus has been given to the yachting movement throughout the coast, and in Victoria alone there has been more enthusiasm shown than ever previously.

HORNBY SLAMS OUT HIS HUNDRETH HIT

Sit Louis Star Has Great Record; Babe Ruth Has 24 Home-Runs to His Credit

Chicago, July 3.—Roger Hornsby of the St. Louis star, banged out his 100th hit of the season in Wednesday's game against Cincinnati, the first player in the National League to touch the century mark.

Hornsby slipped slightly in his batting, but continues to hold a comfortable lead among the regulars who have participated in 35 or more games, according to averages released to-day and which include games of the weekend.

Chicago, July 3.—Roger Hornsby of the St. Louis star, banged out his 100th hit of the season in Wednesday's game against Cincinnati, the first player in the National League to touch the century mark.

TIGHT GAMES IN NATIONAL LEAGUE

All Teams Played Good Ball Yesterday; Yankees Win From Lowly Athletics

National League. Cincinnati, July 3.—Cincinnati defeated Chicago yesterday 6 to 5 in a hard fought eleven-inning game.

Chicago, July 3.—St. Louis defeated Pittsburgh 3 to 0 yesterday. Pittsburgh did not get a runner past second base until the ninth inning.

Brooklyn, July 3.—Pfeffer trimmed Casey in a mound duel and Brooklyn won from Philadelphia 2 to 1 here yesterday. The Dodgers' victory gave them in second place, as the Reds defeated Chicago.

New York, July 3.—Boston and New York broke even in a double-header here yesterday, the Braves winning the first game 3 to 7 by dint of heavier hitting and the Giants slugging out a 12 to 4 victory in the second contest.

Philadelphia, July 3.—New York retained its fractional lead by defeating Philadelphia 7 to 4 here yesterday. The Athletics made three errors in the field.

Detroit, July 3.—Cleveland pounded out twelve safe hits off two Detroit hurlers here yesterday and won by 10 to 3. Coveleskie held the Tigers to one run.

Boston, July 3.—Boston took Washington into camp here yesterday by a score of 10 to 9 in ten innings, in a game in which the Senators secured eighteen hits and the Red Sox twelve. A total of ten battery men participated.

Chicago, July 3.—Erratic fielding by Chicago, coupled with opportune hitting, gave St. Louis a 7 to 5 victory in ten innings.

St. Louis, July 3.—St. Louis won from Chicago, 7 to 5 in ten innings. The score: St. Louis, 7; Chicago, 5.

St. Louis, July 3.—St. Louis won from Chicago, 7 to 5 in ten innings. The score: St. Louis, 7; Chicago, 5.

St. Louis, July 3.—St. Louis won from Chicago, 7 to 5 in ten innings. The score: St. Louis, 7; Chicago, 5.

St. Louis, July 3.—St. Louis won from Chicago, 7 to 5 in ten innings. The score: St. Louis, 7; Chicago, 5.

BRITISH ATHLETES SHOW GREAT FORM

Stamford Bridge, Eng., July 3.—A Princeton man, Theodore C. Speers, took the first event contested to-day in the British Amateur Athletic Association championship here. Speers won the hammer throw with a throw of 140 feet 8 1/2 inches.

Chicago, July 3.—St. Louis defeated Pittsburgh 3 to 0 yesterday. Pittsburgh did not get a runner past second base until the ninth inning.

Brooklyn, July 3.—Pfeffer trimmed Casey in a mound duel and Brooklyn won from Philadelphia 2 to 1 here yesterday. The Dodgers' victory gave them in second place, as the Reds defeated Chicago.

New York, July 3.—Boston and New York broke even in a double-header here yesterday, the Braves winning the first game 3 to 7 by dint of heavier hitting and the Giants slugging out a 12 to 4 victory in the second contest.

Philadelphia, July 3.—New York retained its fractional lead by defeating Philadelphia 7 to 4 here yesterday. The Athletics made three errors in the field.

Detroit, July 3.—Cleveland pounded out twelve safe hits off two Detroit hurlers here yesterday and won by 10 to 3. Coveleskie held the Tigers to one run.

Boston, July 3.—Boston took Washington into camp here yesterday by a score of 10 to 9 in ten innings, in a game in which the Senators secured eighteen hits and the Red Sox twelve. A total of ten battery men participated.

Chicago, July 3.—Erratic fielding by Chicago, coupled with opportune hitting, gave St. Louis a 7 to 5 victory in ten innings.

St. Louis, July 3.—St. Louis won from Chicago, 7 to 5 in ten innings. The score: St. Louis, 7; Chicago, 5.

KEEP YOUR SHOES NEAT THE BIG VALUE PACKAGES WILLY'S SHOE DRESSING For Women's, Children's and Men's Shoes Liquid and Cake

Navigated Nearly 2,000 Miles Without a Rudder Two Miles of Submarine Cable is Delivered Here

French Steamship Vancouver Reached Queenstown After Eventful Voyage; Great Resourcefulness Displayed by Master.

Captain F. Flaud, resourceful master of the French wooden steamship Vancouver, who has navigated that vessel a distance of upwards of 1,900 miles without a rudder, landed at Queenstown after his eventful voyage, according to word received on the coast.

After completing her trials the Vancouver loaded at Vancouver and cleared December 12 with a cargo of lumber, bound for Queenstown for orders.

Rudder Lost In Gale.

She had her rudder torn away in a heavy gale when 428 miles northeast of Bermuda, but succeeded in making the latter place on February 11, steering a course as best she could with twin screws.

Further Trouble.

After three months delay the vessel was fitted with another rudder.

Wretchedness OF Constipation Can Be Quickly Overcome by CARTER'S LITTLE LIVER PILLS

CARTER'S LITTLE LIVER PILLS. Purely vegetable—act sure and gently on the liver. Relieve biliousness, headache, dizziness and indigestion. They do their duty. Small Pill—Small Dose—Small Price.

When 1,900 miles west of Queenstown on the resumed journey, however, the stock of the new rudder was broken by tremendous waves.

"The situation," said Captain Flaud in an interview, "was one to cause anxiety, but we faced it, and, by using the port and starboard engines alternately as the occasion demanded, to steer a course eastwards, succeeded in covering a distance of 750 miles."

Rigged Jury. The weather having moderated on June 6 we managed to connect a wire hawser to the rudder head, and rigged up a contrivance which helped in a small way to steer the ship. This arrangement acted fairly well in the open sea, but on the coast or in narrow waters it was unworkable.

A further 750 miles were covered in this way and off Queenstown we secured the services of a tug to assist us into harbor.

PROMOTED ELECTRIC SYSTEM AT CANTON

T. R. E. McInnes, Son of Former Governor, Returned on Monteagle From China.

Promoter of the Canton electric railway project and one of the most active directors of the Chinese corporation, T. R. E. McInnes, of Ottawa, brother of former Judge W. W. B. McInnes, of Vancouver, and son of Lieutenant-Governor McInnes, British Columbia, reached Victoria last night from the Orient aboard the liner Monteagle.

Mr. McInnes left here towards the end of last year for China and has since been actively identified with the development work in connection with the Canton electric system.

Wonderful changes have been wrought in Canton since the electric railway concessions were granted, says Mr. McInnes. Narrow streets so peculiar to the densely populated Chinese cities, in some cases 150 feet, giving ample room for the electric system and wide thoroughfares on either side of the new tracks.

When the operations of the corporation are completed, Canton will have one of the most up-to-date electric systems in the world. Before he again returns to the Orient Mr. McInnes will complete arrangements for the delivery of new equipment at Canton.

GOOD RUN LOGGED BY LINER MONTEAGLE Averaged 12.8 Knots During Her Trans-Pacific Trip From Japan

"We averaged 12.8 knots throughout the voyage," said Chief Officer C. J. Ferguson speaking of the voyage of the C.P.O.R. liner Monteagle from the Japan coast.

The Monteagle, Commander A. J. Hosken, R.N.R., made port at 8 o'clock last night from Hongkong, Shanghai, Nagasaki, Kobe and Yokohama.

The liner made the run from Yokohama in slightly better than fourteen days and better conditions were the order during the passage.

The Monteagle carried 91 saloon and 83 second cabin passengers as well as 60 Chinese in her steerage quarters. The first-class passengers included: J. A. Teopertin, well-known Vancouver wholesaler; S. Cherniavsky of New York; E. V. Betak, of Hooens, Denmark; W. A. Anderson, of Stockholm; C. G. Albee, of San Francisco; M. M. Cohen, of New York; T. R. E. McInnes, of Ottawa; H. Spencer, of Manchester; G. H. Sheldon, of Manila; J. H. Rust, of Glasgow and Lieut.-Commander R. S. Hobson, who is en route to England from Hongkong.

Various structural changes were noticeable on board the Monteagle, the chief of which is the boarding up of the promenade deck to the rail. The prevailing opinion at the dock was that the alterations do not improve the berth to any extent.

The liner carried a big Oriental freight including a valuable consignment of raw silk. The Monteagle remained alongside the berth here until 10 o'clock when she cleared for Vancouver.

Harrison Freighter Statesman Brings Heavy Type Cable For Pacific Cable Company's Station at Banfield; Shipment Is Uniquely Stowed.

Two miles of submarine cable consigned to the Pacific Cable Board at Banfield, west coast of Vancouver Island, is being discharged at this port by the Harrison Direct Line steamship Statesman.

There have been reports of the duplication of the Pacific cable to Australasia and the delivery of a shipment of cable here led to rumors against the proposed scheme. The delivery by the Statesman, however, is not, as might be supposed, the first shipment incident to the proposed gigantic project.

For Emergency Purposes. R. S. Bain, superintendent at Banfield for the Pacific Cable Board, who is here to accept delivery, informed The Times waterfront man this morning that the cable had been ordered to be kept in storage at Banfield for emergency purposes. Repairs are necessary from time to time and it was deemed necessary to have the cable on hand for any emergency that might arise, and thus prevent any extended break in the cable trans-Pacific service.

Stowed in Huge Tank. The two miles of cable aboard the Statesman is stowed in a huge steel tank which was specially constructed in the after hold of the freighter for the purpose. It is planned to unload this interesting shipment by unwinding the cable and rewinding it aboard a scow moored alongside the ship—it will then be towed to Banfield and stowed in the Cable Company's tank at the West Coast station. The tank in the hold of the ship, if possible, will be lifted out of the hold by means of the ship's booms and steam gear. If this plan is found to be impracticable it will be taken to pieces and hoisted ashore in sections.

VESSEL MOVEMENTS

Pretorian at Quebec from Glasgow. Havreford at Halifax from Liverpool. Olympic at New York from Southampton. New York at Southampton from New York.

OLYMPIC HELD IN QUARANTINE

White Star Liner Alleged to Have Violated Health Regulations at Cherbourg.

New York, July 3.—Alleged to have violated the health regulations at Cherbourg by permitting 193 steerage passengers to embark without being subjected to rigid physical examination, the steamship Olympic, with 2,905 passengers aboard, was detained at quarantine yesterday when she arrived from Southampton and Cherbourg.

Agents took ashore first and second class cabin passengers. The 1,122 steerage passengers will be removed Saturday to a Government quarantine station. The ship will be fumigated before docking.

New Oil Burner. The Olympic, the first of the great Atlantic passenger steamships to be equipped with oil-burners, made a highly successful voyage after their installation, according to her commander.

EXPIRATION OF MAIL CONTRACT WAS CAUSE

Refusal of Liner Empress of Asia to Take Oriental Mails Is Explained.

Expiration of the mail contract and the suggestion of an increased subsidy upon its renewal is understood, explains the refusal of the Canadian Pacific Ocean Services liner Empress of Asia, which left here yesterday for the Orient, to carry mails on her outward trans-Pacific voyage.

At Vancouver the Empress of Asia loaded part of her mail shipment and it was discharged again before she sailed for Victoria. No mail was taken aboard upon the arrival of the ship at this port.

The delayed mail will be shipped by the N.Y.K. liner Kashima Maru, scheduled to sail from Victoria next Wednesday for Yokohama and Hongkong. The postal department figured on getting the shipment away by the liner Toyohashi Maru last night, but she is not a subsidized mail liner, and the plans were altered.

The Kashima Maru will reach Yokohama July 22 and Hongkong August 8. The Empress of Asia is scheduled to leave for the Orient on August 22.

Sought to Escape. When the Empress of Asia was getting away from the Outer Docks here yesterday afternoon on her voyage to the Far East, a Chinese member of the crew, wearing a lifebelt around his waist, leaped over the side, intent upon making a get-away. His escape, however, was short-lived. The immigration officials spotted him and when picked up the Chinaman was in a bad way. First aid officers worked for some time before the fellow was revived. He is being held at the immigration building.

Excursion Steamers. The steamships Sol Due and Whatcom, of the Puget Sound fleet, are making several excursions today between Victoria and Port Angeles.

STATESMAN IS NEW HARRISON CARRIER

Ship Now in Port Formerly Was Saint George of Rankin-Gilmour Fleet

Former units of the Rankin-Gilmour fleet and now flying the house-flag of the Harrison Direct Line, the British steamship Statesman, Captain Brown, is in port to-day from Liverpool.

During the war the fleet of the Statesman became so active by reason of the activities of Teutonic submarines that the British line was compelled to seek more tonnage to offset its losses. Twelve freighters of the Rankin-Gilmour fleet were purchased by the Harrison Line and within a very short time after the transfer had been effected three of the ships had been submerged. The acquisition of the ships of the Crown Steamship Company, of Glasgow, by the Harrison Line, has since been announced, adding greatly to the company's tonnage.

The Statesman was formerly known as the Saint George and is a comparatively new vessel, being but five years old. She was renamed after the completion of the first of the British merchant marine to be commandeered during the outbreak of war, and later sunk in the Mediterranean while plying in the Gallipoli service.

The original Statesman was well-known in the North-Pacific trade prior to the war. Captain Brown, master of the Statesman, is making his first voyage to this coast as commander. He was out here several years ago as chief officer of the steamship Hints, and on the trip up from the California coast was hampered by heavy weather and strong winds.

The Statesman brought out about 500 tons of United Kingdom freight for Victoria. While here she will load 20,000 feet of lumber and 100 tons of box shooks for delivery at Liverpool. The lumber is supplied by the California Puget Sound Mill and the Cameron Mill.

It is expected that the freighter will get away on Monday night for Vancouver.

Pass—Charles Swannell, 86; Marlon Lucas, 83; Isabel Dee, 79; Moreen Keown, 79; Alice Eldridge, 78; Frances Evers, 78; Marjorie Ballard, 78; Irene Moses, 78; William Brakes, 77; Jeannie Black, 76; Neenie Wallace, 76; Thomas Watkins, 76; Thomas Sturges, 76; Susan Pollock, 76; Eunice King, 75; Lillian Barnett, 75; Madeline Nelems, 75; Herbert Legg, 75; Victoria Gardiner, 74; Albin Johns, 74; Margaret Miller, 74; Walter Moore, 74; Ethelyn Dee, 74; Clarence Dibble, 73; John Gelling, 73; Ellen Knight, 73; Donald Sinclair, 73; Jessie Scott, 73; Alex Martin, 73; James Green, 73; Florence Stevens, 72; Dorothy Morton, 72; Jeffrey Bothwell, 72; Jean Coddington, 72; Dorothy Hicks, 72; Muriel Barker, 71; Phyllis Cummins, 71; Fressie Gilliland, 71; Lily Merritt, 71; Jean Macrae, 71; Adelbert Stewart, 71; John Macdonald, 71; Harold Massick, 70; Robert Petrie, 70; Isabella Todd, 70; Alex Ferguson, 70; Isabel Fleming, 70; Wilbur Macdonald, 70; Oscar Lucas, 69; May Beane, 69; William Copeland, 69; William McGregor, 69; Donald Purvis, 69; Bert Sivas, 69; Edythe Mutrie, 69; Sarah McGill, 69; Doris Mariatt, 69; Hilda Elliott, 68; Gertrude White, 68; Charles Lewis, 68; Olive Martin, 68; Winifred Whithire, 68; Anaisie Worthington, 68; Dean McKay, 68; Cecil Sampson, 68; Nellie Cannon, 67; Roland Booth, 67; Laura King, 67; Charles Ozard, 67; George Smith, 67; Bessie Ingles, 67; Harold Edwards, 64; Ina Smith, 64; Doreen Whittington, 64; Henry Blakeney, 64; Edwin Harris, 64; Cecil Lewis, 64; Jessie Macdonald, 64; Raymond Ditchburn, 64; Lester Drisdale, 64; Sydney McKay, 64; David Breckenridge, 63; Blaine Fox, 63; Florence Gates, 63; Harold Parfitt, 62; May French, 62; Cecil May, 62; Duickie Jenkins, 62; Cyril James, 61; Bryce Stewart, 61; Isabel Milldenhall, 61; Agnes Parsell, 60; Allan Maclean, 60; Louise Gregory-Allen, 60; Richard Sanders, 60; Eileen Shaw, 60; Harold Cunningham, 59; Myra Galbraith, 58; Gertrude Cook, 58; Kenneth Cowper, 58; Novart Saunders, 57; James Regan, 54; Marguerite Genn, 54; Violet Carmichael, 53; Miriam Mardell, 52; Muriel Pottinger, 52; Marion Bayne, 51; Gertrude Thorpe, 51; Percy Noel, 51; Fridesa Widdowson, 50; Wilfred Broun, 50; George Pierce, 50.

Promoted on Probation—Eric Birch-Jones, Mazi de Blacquiery, Joseph Brinton, Joseph Herman,

**Strength Will Return To Weak People Using This Treatment**

You are discouraged.  
You feel old and worn.  
You are sick, but not aware of the fact.

You can drag yourself around—but work is impossible.

With your stomach crying out for assistance and the nerves all on edge why not try Ferrozone—it will surely do you good.

Ferozzone is a wonderful combination of vegetable extracts, fortified by excellent tonics for the nerves and stomach.

When you feel despondent, Ferrozzone cheers you up.

When lassitude and oppression weigh you down, Ferrozzone braces you up.

When sleep is impossible Ferrozzone calms the nerves and gives you rest.

For bounding health, good looks, good spirits, nothing equals Ferrozzone; makes the weak strong and the sick well. Good for children, women and children; try Ferrozzone, it can work wonders, as it did for Mrs. Mary Melong, of Harbor Bouche, N. S., who writes:

"Ferozzone built me up.  
"Before using it I scarcely knew what good health meant.  
"It was just as miserable and weak as any woman could be.  
"Tired from morning to night, bothered by trifles, unceasingly nervous.  
"The first box of Ferrozzone improved my blood, gave me appetite. In a short time I was like a new person. Now I rejoice in abundant good health."  
"Try Ferrozzone. It will make an unexpected improvement in your looks, your feeling, your health."  
Whether anaemic, nervous or suffering from secret disorders—if you want cure, use Ferrozzone. Price 60c per box, or six boxes for \$2.50, at all dealers or direct from The Catarrhose Co., Kingston, Ont.

**LEARN LESSONS FROM BALMORAL APARTMENTS FIRE**

Local Underwriters' Secretary Speaks of Visit to Scene of Holocaust

(By Douglas A. G. McGregor, Secretary-Treasurer, Vancouver Fire Underwriters Association.)

After making an inspection of the ruins of the Balmoral Apartments, Vancouver, B. C., where five lives were lost owing to the fire which swept through the building, I feel that owners of buildings used as hotels and apartments and those responsible for institutional buildings, should very carefully study the findings of the coroner's jury in connection with this fatal fire.

The lessons and the warning must not be overlooked.

The following section from the findings of the jury is possibly worthy of special consideration:

"The owners of the building at the time of construction and also the present owners did not take proper precautions for the safety of the tenants."

Comment on such a statement is unnecessary, but surely it will serve to bring home to the owners and agents of such buildings, their great responsibility for the safety of tenants.

Every owner should ask himself, "Am I taking proper precautions for the safety of my tenants? If my building burned, and lives were lost, could I be censured by a jury?"

The sacrifice.

Only too often is this responsibility overlooked or neglected, sometimes through lack of knowledge and unfortunately, sometimes for the sake of what is considered economy. Lives are being sacrificed daily on these altars of ignorance and economy.

Do not satisfy yourself that you have done your duty to your tenants and your neighbors by merely installing alarms, fire hose extinguishers and possibly other safety and protective devices. You must go further than this, the equipment must be kept constantly in perfect working condition.

Experience and investigations after fires, commonly show that the equipment for fire protection was not in working order; at the critical moment it failed to render the service for which it was intended and more lives are offered up through neglect. All fires are the same size at their start and every second counts.

The causes of preventable fires are so numerous and in many cases the methods of prevention are so simple that it becomes almost criminal to allow the causes to exist. Untidy and dirty conditions in basements, the careless handling of oily cloths, the improper disposal of ashes are excellent fire breeders and are too frequently allowed.

**Champion**

**Dependable Spark Plugs**

This includes low speed tractors, or high speed racing cars with all the intermediate speeds. Yes, and the careless handling outside the motor too.

By giving efficient service in heavy duty tractors, developing terrific heat and tremendous shock strain, Champions have earned the right to the name which has become another word for spark plug dependability. A special Champion plug has been developed to meet each peculiar ignition requirement in every type of gas engine, in motor cars, trucks, tractors, farm and stationary engines, motor boats, motor cycles and aeroplanes.

Dealers in motor supplies everywhere can furnish you with the right type for your motor.

Look for "Champion" on the insulator as well as on the box.

### QUARANTINE DEFEATED METCHOSIN AT SOCCER

Metchosin, July 2.—A friendly soccer match on the grounds of the William Head Quarantine Station on July 1 between residents of the Metchosin district and members of the Quarantine staff was won by the latter team, 1 to 0.

Dr. R. N. Nelson officiated as referee. The match was well attended, several carloads of spectators going from Metchosin, and these with the residents of the Quarantine Station made up a goodly number.

A rather sad finish to a very friendly match occurred just two minutes before the final whistle blew when W. L. Whitney-Griffiths, of "The Grange," Metchosin, received a hard blow in the stomach from an opponent's knee. Mr. Whitney-Griffiths suffered severe pain for some considerable time, and it is sincerely hoped that no serious injury was caused.

### NO MORE TRIAL RACES FOR CUP CHALLENGER

Sandy Hook, N.J., July 3.—There will be no more races between the Shamrock IV, challenger for the America's Cup, and her 28-metre trial horse, Sir Thomas Lipton announced here early to-day.

The reason given by Sir Thomas for abandonment of the competitions was that so much time had been wasted in experimenting with the Marconi topmast rig, now in the discard, that little time remains to train the challenger's crew of 40 men.

### WON TENNIS GAME.

Clifford Walker, the dark horse of Yarrowa, Ltd. Tennis Club, sprang the surprise of the season on J. Cameron at the popular courts on Humboldt Street, after a long period of rivalry. The match was a keenly-contested one, long volleys being the feature of the game, which ended in victory for the former, 6-4, 6-3.

**THERE** are many who will prefer the new Scripps-Booth Six-Cylinder Touring Car for all-year driving. The full-lined top is of genuine Pantasote, acknowledged as one of the finest top materials made.

For occasions when protection is necessary Scripps-Booth provides snug-fitting and easily adjusted curtains which open with the doors and, when not in use are stored without folding, in a special compartment.

Mechanically the new Scripps-Booth has numerous refinements. The Alemite High Pressure Lubricating System simply yet positively greases all necessary points. Easy riding has been assured by longer wheelbase and springs. Throughout there have been added those improvements which make not only for service but also for reliability.

## SANICH FAVORS PUBLIC CEMETERY

### Council Declares For Previous Policy of Co-operation With City

"To save the poor a lot of the expense to which they are now put" in funerals, Councillor Dooley moved at the meeting of the Sanich Council last evening that Sanich should cooperate with the city and other municipalities in going on with an inter-municipal cemetery. The inter-municipal committee will take up the matter in the near future.

Mr. Dooley argued that unnecessary expense was entailed on some poor persons by heavy undertaking fees, as had been shown in bills before the Finance Committee for aiding destitute cases.

**Meter Registration.**  
In connection with the dispute between the city and the municipality regarding the character of the meter registering property on Burnside Road which records the water purchased by Sanich from the city, the Council was informed that the matter is in abeyance until the arrival of a representative of the meter company. The city water commissioner had threatened to shut the water off if the circumstances were not remedied.

**Bus Services.**  
Councillor Terrell remarked that the Council had little power to regulate the service when a complaint was voiced that the Gorge bus service was discontinued. It was stated on behalf of Mr. Hamilton, the bus owner, that the bus has met with an accident and meanwhile the customary service is suffering.

## VANCOUVER ISLAND NEWS

**New School**  
Port Alberni.—Work on the construction of the new school house has been commenced by Warnock & Rodgers. The building is to be completed in time for the re-opening of the public schools after the Summer holidays.

**Special Prizes at Fall Fair**  
Courtenay.—At a meeting of the directors of the Agricultural and Industrial Association, it was announced that the Canadian Jersey Cattle Club had agreed to give special prizes amounting to \$25, in the Jersey classes at the fall fair if breeders in the district would raise like amount. The amount needed was subscribed right at the meeting, so that the prizes in the Jersey section will be worth winning. There is also going to be a special prize of two seamless milk pails in the milkers' classes, the prize being given by the Delaval Company.

**For Returned Men**  
Port Alberni.—The City Council decided on Monday night to apply to the Provincial Government for a loan of \$10,000 for the returned men's re-housing scheme. Applications from four active service men for loans to enable them to build homes in the city have already been received and one or more are expected to be made in the near future. As it is figured that the amount of money available will not cover the cost of building more than three or four houses the question of allotment, in case of an excess demand, will be referred to the Great War Veterans' Association for recommendation.

**Students Pass**  
Duncan.—Of the nineteen Duncan High School students who sat for the final examination of the preliminary course, junior grade, the following fifteen were successful in securing promotion to the advanced course. Maximum 1,000.  
Ethel Greig, 747; Stuart Clement, 718; Kathleen Dwyer, 697; James March, 671; Reginald King, 641; Viola Harris (conditioned in geometry) 639; Alec Thomson (conditioned in French) 638; Margaret Thomson, 627; Eilda Weeks (conditioned in geometry) 625; Enid Gairard, 624; Esther Patterson, 622; Barbara Chaplin, 578; Eileen Dwyer, 571; Donald Douglas, 544; Edward Aitkin, 511. To the above must be added Hubert Bevan, who was promoted to the advanced course earlier in the term.—Cowichan Leader.

**New Bank Finished**  
Courtenay.—The staff of the Canadian Bank of Commerce moved into the new building on the corner of Union Street on Saturday. All the furniture has not arrived yet, but business has been transacted there since Monday morning. The building not only provides ample room for the transaction of business for some time to come, but upstairs has most comfortable quarters for the use of the staff. Below there is a concrete basement, the furnace room being shut off by a fire proof door, so that the fire did not spread there it would be very difficult for it to spread to the rest of the building.

The building sets a high standard of architecture in the city and it is a great improvement to the main street. It has cost the bank approximately \$30,000.—Comox Argus

**Egret Rebuilt**  
Port Alberni.—The fisheries Protection Launch, Egret is in commission again after having been rebuilt on the ways of the Port Alberni Boat and Launch Works. The launch, which is 50 feet long with a 12-foot beam, was hauled out of the water on May 1, was launched again on Tuesday of last week and, on Friday, was given a trial run down the canal. The boat has a speed of ten miles an hour.

John W. Allen, M.I.M.E., supervising engineer for the fisheries branch of the Canadian naval service, was in the city while the boat was under re-construction. He was out on the trial trip on Friday and left the following day for Victoria after having expressed in the work as satisfactory.—Port Alberni News

**Sidney I.O.D.E.**  
Sidney.—Allies' Chapter, I.O.D.E. will hold their regular monthly meeting in the small Berquist Hall, on Tuesday, July 6, at 8 p.m. Members are requested to attend. Mrs. Hassler, of Victoria, will give an address during the afternoon.

**S.S. Picnic**  
Sidney.—Thirty-three members of St. Andrew's Sunday School left the Sidney wharf Tuesday for Sidney Island, where the annual picnic was held. The party was conveyed to the island in the launches of Capt. Byers and Rev. Mr. Barton. Judging by the

remarks of the children when they returned home in the evening, they had a day of real enjoyment, and will look forward to a similar outing next year.

**A.O.U.W. Lodge**  
Sidney.—Bro. J. W. Barker organizing for the A.O.U.W. of B.C., has been in Sidney this week in the interest of the organization, and reports considerable success. Quite a number of young people have signed the petition asking for a lodge in Sidney, and there is still time for a few more who wish to become charter members. Ladies are eligible as well as men, and those wishing to sign must hand in their names to either Bro. Walter McIlroy or Bro. H. Hoosten, before July 3, as the petition has to be forwarded to the Grand Master in order that he may grant a charter.—Sidney Review

**Work Completed**  
Kuper Island.—A. W. Watson, of the firm of McDonald, Watson & Wilbers

reports, at Sidney, that the firm has completed the big repair job at the Kuper Island Government wharf.

**Struck By Train**  
Nanaimo.—Angus McRae, who was struck by an Esquimalt & Nanaimo Railway freight train Wednesday evening at five o'clock, while riding with three others in a motor car on the Island Highway near Northfield, and died in the city hospital three hours later without regaining consciousness, was one of the best known citizens of Nanaimo. He was two years ago Worlby Master of Ashlar Lodge, and had been recently appointed Deputy Grand Master for this district. His inaugural work having been planned for an early date at Alberni.

**Votes on By-Laws**  
Courtenay.—Whatever doubt the ratepayers of Courtenay might have about the expediency of extending the electric light system or building a new school, they had none in regard

to providing a water supply. The vote on Monday to authorize the construction of a water works and to vote the additional monies needed over and above what has already been voted was overwhelmingly in favor of the proceeding with the work. The vote polled was actually as follows:  
Authorization By-Laws ..... 90  
Against ..... 23  
Majority for ..... 67  
To provide additional monies ..... 92  
Against ..... 21  
Majority ..... 71  
Comox Argus.

**FINAL FOR GOLF TITLE  
BEING PLAYED TO-DAY**  
Beaconsfield, Que. July 2.—With the links soaked by a night downpour of rain and a storm threatening, the final of the Canadian golf championship between C. B. Greer, of Mont-

real, and T. Gillespie, of Calgary, began this morning. The final round consisted of 36 holes, 18 to be played in the morning and the remainder in the afternoon.

**MEMBERSHIP IN  
LEAGUE PREDICTED  
FOR THE STATES**  
Toronto, July 2.—Addressing the 2,000 delegates at the international convention of the Baptist Young People's Union here last night, Dr. D. J. Evans, Missouri, president of the Union, said:  
"I want to tell you Canadians we are going to join the League of Nations as you have done, not because of any political issues that are on the surface, but for the deeper reasons—because the men, the women and the children must be cared for."  
This declaration was greeted with

a burst of applause. Dr. Evans deplored the "political platitudes" indulged in by the American parties in formulating their platforms.  
"There is one man, in my judgment," he said, "who could have been the standard-bearer of the thinking people, and both parties ignored him!"  
Dr. Evans paused and said: "Name him!"  
Without hesitation came the answer in chorus from the American delegates: "Hoover."  
Dr. Evans expressed the belief that Mr. Hoover could have led the United States toward a realization of the League contemplated by President Wilson during the war.  
**TROUBLE**  
"Why don't you take your wife to see a baseball game now and then?"  
"Not she. I have trouble enough trying to teach her to drive the car."

**THE Arabian Nights Enchantments** are rivalled by the modern magic of the Automobile. The motorist's miraculous vehicle will transport him with the swiftness of an eagle's flight to the sea, the mountains, the lakes or where he can view some broad panorama of endless hills that roll on into the infinite distance. But a motor trip should not be taken without the assurance that the tires will carry through. Where safe and timely arrival are important, one should make assurance doubly sure by having his car equipped with "Cross Tread Gutta Percha" Tires. Why? Because they can be depended upon. They are built with unusually strong side walls, exceptionally tough rubber tread, plentifully rubberized cotton duck fabric, beads that have never been known to break, and a reputation that bears out the slogan—

ROCKLAND AVENUE—Home consisting of 10 rooms, newly decorated, hot water heat, class to Cook street, in a good residential district. Price \$11,000, or will sell house and one lot for \$12,500.

Oak Bay—A Country Home
4287—HERE'S A HOME, its veranda entwined with roses, with its wide grassy lawn, its grove of shady oaks and mountain ash, its beautiful garden of loganberries, raspberries, etc., its numerous vegetables conveys the sense of a restful day in the country. It is not a mere holiday home, but it is in a most excellent condition. Six bright, airy, comfortable rooms, with a bath, in order. Property is 100x125 ft. and is in a most desirable location. Local improvement taxes nearly all paid. This home should be especially appealing to one from the prairie or country where the care of the garden and chickens will occupy some of his time. Logans yielded 240 lbs. last year. Sale price \$4,500.

Coast Builders and Brokers, Ltd.
