

Wiki Science 2019 Competition

The BIGGEST Science Photography and Imagery Competition!

Who can participate

Everyone can participate! Amateurs, professionals, people of all ages!

How to participate

Take or create **any** science-related image/video/scheme/graph: from archeology to volcanology, from zoology to organic chemistry ...
The competition has **six** categories: **People in Science**, **Microscopy images**, **Non-photographic media**, **Image sets**, **Wildlife & Nature**, **General category**.
If you think that your file could illustrate a **scientific article** on an **encyclopedia** or a **newspaper**, then... it's suitable for this competition!
Register at commons.wikimedia.org, providing your e-mail address.

Do not forget to add a good scientific description!

Warning! The user must also be the author of the uploaded files (except for institutional accounts).
All files be **freely licensed** (e.g. CC-BY) and become part of Wikimedia Commons, Wikipedia's multimedia database.

Time schedule

Check start and deadline of your national competition (**November** or **December**):

<http://www.wikisciencecompetition.org/participate/>

December 2019 - January 2020 Selection period.

April 2020 Declaration of International Winners.
