Department Circular No 653, 10th
Revision

DEPARTMENT OF THE TREASURY

Fiscal Service

31 CFR Part 316

Offering of U.S. Savings Bonds,
Series E

AGENCY: Fiscal Service, Department of the Treasury.

ACTION: Final rule.

SUMMARY: This Tenth Revision of Department of the Treasury Circular No. 653, the offering circular for United States Savings Bonds of Series E, reflects (1) improvements in the investment yields of such bonds, (2) extensions granted for bonds not redeemed, and (3) changes in the terms necessitated by the termination of the offering. A notice in the Federal Register of December 31, 1979, announced that the sale of Series E savings bonds over-the-counter was terminated as of December 31, 1979, and that their issuance through payroll sales will terminate no later than June 30, 1980. They are being replaced by United States Savings Bonds of Series EE.

EFFECTIVE DATE: June 1, 1979.

FOR FURTHER INFORMATION CONTACT:

A. E. Martin, Office of the Chief Counsel, Bureau of the Public Debt, (202) 376-0636.

SUPPLEMENTAL INFORMATION: This revision of the offering circular for Series E bonds effectuates two separate improvements in their investment yield. On May 10, 1979, the Secretary announced that the interest rate paid on these bonds would be increased, effective June 1, 1979, to 6.5 percent per annum, compounded semiannually. On December 12, 1979, he announced that Series E bonds would also receive an additional ½ of 1 percent bonus, if held for 11 years from the date of the first semiannual interest period that begins on or after January 1, 1980. Tables of redemption values and investment yields reflecting the improvements have been made a part of the circular.

The revision provides that the improvements in yield will be applied as follows:

Interest Rate Increase To 6.5 Percent

(1) Series E bonds bearing issue dates on or after June 1, 1979, will provide an investment yield of 6.5 percent, compounded semiannually, if held to original maturity, i.e., five years from issue date. The increase will be included as part of the redemption value of the bond as a one-time bonus at original maturity. If a bond is redeemed before

original maturity, the yield will be less than 6.5 percent.

(2) Series E bonds bearing issue dates from December 1, 1974, through May 1, 1979, will reach original maturity from December 1, 1979, through May 1, 1984, five years after their respective issue dates. The ½ of 1 percent increase will apply to the remaining period to original maturity, effective with the first semiannual interest accrual period that begins on or after June 1, 1979. It will be included as part of the redemption value of the bond as a one-time bonus at original maturity. The bond will not receive the increase if it is redeemed earlier.

(3) Series E bonds bearing issue dates from May 1, 1941, through November 1, 1974, will receive the ½ of 1 percent increase in yield effective with the first semiannual interest accrual period that begins on or after June 1, 1979. All of these bonds had entered an extended maturity period prior to December 1, 1979.

11-Year Bonus

Series E bonds that have not reached final maturity will also receive a one-time bonus of ½ of 1 percent, compounded semiannually, if they are held for 11 years from the first semiannual interest period that begins on or after January 1, 1980. The bonus will be added to the redemption value of outstanding bonds as of the first semiannual interest period that begins on or after January 1, 1991. A bond that is redeemed or reaches final maturity prior to completion of the 11-year period will receive the benefit of the 6.5 percent rate described above, but will not receive the additional bonus of ½ of 1 percent.

Other changes incorporated in the revision include the following:

Termination of offering. Section 316.1 provides that the offering of Series E bonds will terminate on December 31, 1979, except for bonds purchased through payroll savings plans, in which case the offering will terminate no later than June 30, 1980. This additional period for payroll savings plans is provided to allow employers operating such plans adequate time to convert their systems to the new Series EE bonds which were placed on sale as of January 1, 1980.

Extended maturities. Section 316.8, relating to the extended maturity periods granted to Series E bonds, is being revised. The term "extended maturity period" refers to one or more 10-year periods during which outstanding Series E bonds continue to accrue interest after the end of their original maturity period. In accordance

with the Secretary's announcement of January 10, 1979, Series E bonds bearing issue dates of May 1, 1941, through April 1, 1952, will not be extended again. This group of bonds will thus reach final maturity exactly 40 years from their respective issue dates and will cease to earn interest at that time. All Series E bonds issued after April 1, 1952, are being granted an additional 10-year extension.

Miscellaneous. Several minor changes are being made to the offering to update addresses being used in connection with Series E bond transactions.

Accordingly, Department of the Treasury Circular No. 653, Ninth Revision, dated April 23, 1974, as amended and supplemented, including the tables incorporated therein (31 CFR, Part 316), is hereby revised and amended and reissued as Department of the Treasury Circular No. 653, Tenth Revision, effective as of June 1, 1979.

This revision is effected under authority of Section 22 of the Second Liberty Bond Act, as amended (49 Stat. 21, as amended; 31 U.S.C. 757c) and 5 U.S.C. 301. Since this revision involves the fiscal policy of the United States and does not meet the Department's criteria for significant regulations, it has been determined that notice and public procedures thereon are unnecessary.

Dated: March 10, 1980.

Paul H. Taylor,
Fiscal Assistant Secretary.

Authority: Section 22, Second Liberty Bond Act, as amended, 49 Stat. 21; 31 U.S.C. 757c and 5 U.S.C. 301.

§ 316.1 Offering of bonds.

The Secretary of the Treasury hereby offers for sale to the people of the United States, United States Savings Bonds of Series E, hereinafter generally

referred to as "Series E bonds" or "bonds". This offer, containing revised terms effective as of June 1, 1979, will terminate as of December 31, 1979, except that, as to bonds purchased under payroll savings plans and employee plans, the offer will terminate no later than June 30, 1980.

§ 316.2 Description of bonds.

(a) *General.* Series E bonds bear a facsimile of the signature of the Secretary of the Treasury and of the Seal of the Department of the Treasury. They are issued only in registered form and are nontransferable.

(b) *Denominations and prices.* Series E bonds are issued on a discount basis. The denominations and issue prices are:

Denomination:	Issue price
\$25	\$18.75
\$50	37.50
\$75	56.25
\$100	75.00
\$200	150.00
\$500	375.00
\$1,000	750.00
\$10,000	7,500.00
\$100,000 ¹	75,000.00

¹ The \$100,000 denomination was available only for purchase by trustees of employees' savings and savings and vacation plans (see Sec. 318.5(b)).

(c) *Inscription and issue.* At the time of issue the issuing agent will (1) inscribe on the face of each bond the name, social security number² and address of the owner, and the name of the beneficiary, if any, or the name, social security number and address of the first-named coowner and the name of the other coowner, (2) enter the issue date in the upper right-hand portion of the bond, and (3) imprint the agent's dating stamp in the lower right-hand portion to show the date the bond is actually inscribed. A bond shall be valid only if an authorized issuing agent receives payment therefor and duly inscribes, dates and stamps it.

(d) *Term.* A Series E bond shall be dated as of the first day of the month in which payment of the purchase price is received by an agent authorized to issue the bonds. This date is the issue date and the bond will mature and be payable at the maturity value, as shown in Table 174 hereof, 5 years from the issue date. The bond may not be called for redemption by the Secretary of the Treasury prior to maturity or the end of any extended maturity period (see § 316.8(a)(1)). The bond may be redeemed at the owner's option at any time after 2 months from issue date at fixed redemption values.

² If the bond is being purchased as a gift or award and the owner's social security number is not known, the purchaser's social security number or employer identification number must be furnished. In this event, the issuing agent will inscribe the word "GIFT" and the purchaser's number on the bond.

(e) *Investment yield (interest).*—(1) *General.* The investment yield (interest) on a Series E bond will be approximately 6.5 percent per annum, compounded semiannually, if the bond is held to maturity, but the yield will be less if the bond is redeemed prior thereto. Beginning in the third month from such issue date, a bond will increase in redemption value on the first day of each month up to and including the thirtieth month from issue date so as to provide for such period an investment yield of no less than 4 percent per annum, compounded semiannually. Thereafter, its redemption value will increase at the beginning of each successive half-year period. The interest will be paid as part of the redemption value. See Table 174.

(2) *Additional bonus.* A bonus of ½ of 1 percent, compounded semiannually, will be added to the redemption value of any outstanding and unmatured Series E bond for the 11-year period commencing with the first semiannual interest accrual period beginning on or after January 1, 1980, but only if the bond is held to the end of such 11-year period.

§ 316.3 Governing regulations.

Series E bonds are subject to the regulations of the Department of the Treasury, now or hereafter prescribed, governing United States Saving Bonds of Series A, B, C, D, E, F, G, H, J and K, contained in Department of the Treasury Circular No. 530, current revision (31 CFR, Part 315).³

§ 316.4 Registration.

(a) *General.* Generally, only residents of the United States, its territories and possessions, the Commonwealth of Puerto Rico, and citizens of the United States temporarily residing abroad are eligible to be named as owners of Series E bonds. The bonds may be registered in the names of natural persons in their own right, as provided in paragraph (b) of this section, and in the names and titles or capacities of fiduciaries and organizations, as provided in paragraph (c) of this section. Full information regarding authorized forms of registration and restrictions with respect thereto are found in the governing regulations.

(b) *Natural persons in their own right.* The bonds may be registered in the names of natural persons (whether adults or minors) in their own right, in single ownership, coownership, and beneficiary forms.

³ Copies may be obtained from any Federal Reserve Bank or Branch, from the Bureau of the Public Debt, Washington, D.C. 20226, or the Bureau of the Public Debt, 200 Third Street, Parkersburg, West Virginia 26101.

(c) *Others.* The bonds may be registered in single ownership form in the names of fiduciaries and private and public organizations, as follows:

(1) *Fiduciaries.* In the names of and showing the titles or capacities of any persons or organizations, public or private, as fiduciaries (including trustees, legal guardians or similar representatives, and certain custodians), but not where the fiduciary would hold the bonds merely or principally as security for the performance of a duty, obligation or service.

(2) *Private and public organizations.* In the names of private or public organizations (including private corporations, partnerships, and unincorporated associations, and States, counties, public corporations, and other public bodies) in their own right, but not in the names of commercial banks.⁴

§ 316.5 Limitation on holdings.

The amount of Series E bonds originally issued during any one calendar year that may be held by any one person, at any one time, computed in accordance with the governing regulations, is limited as follows:

(a) *General limitation.* \$10,000 (face amount) for any one calendar year.

(b) *Special limitation for employees' savings plans.* \$2,000 (face amount) multiplied by the highest number of participants in any employees' savings plan, as defined in paragraph (b)(1) of this section, at any time during the year in which the bonds are issued.⁵

(1) *Definition of plan and conditions of eligibility.* (i) The employees' savings plan must have been established by the employer for the exclusive and irrevocable benefit of employees or their beneficiaries, afford employees the means of making regular savings from their wages through payroll deduction, and provide for employer contributions to be added to such savings.

(ii) The entire assets thereof must be credited to the individual accounts of participating employees and the assets so credited may be distributed only to them or their beneficiaries, except as otherwise provided herein.

(iii) Series E bonds may be purchased only with assets credited to the accounts of participating employees and only if the amount taken from any account at any time for that purpose is

⁴ For this purpose, commercial banks (as defined in Sec. 315.7, Department of the Treasury Circular No. 530, current revision) are those accepting demand deposits.

⁵ Savings and vacation plans may be eligible for this special limitation. Questions concerning eligibility of such plans should be addressed to the Bureau of the Public Debt, Washington, D.C. 20226, or the Bureau of the Public Debt, 200 Third Street, Parkersburg, West Virginia 26101.

equal to the purchase price of a bond or bonds in an authorized denomination or denominations, and shares therein are credited to the accounts of the individuals from which the purchase price thereof was derived, in amount corresponding with their shares. For example, if \$37.50 credited to the account of John Jones is commingled with funds credited to the accounts of other employees to make a total of \$7,500, with which a Series E bond in the denomination of \$10,000 (face amount) is purchased in December 1978 and registered in the name and title of the trustee, the plan must provide, in effect, that John Jones' account shall be credited to show that he is the owner of a Series E bond in the denomination of \$50 (face amount) bearing issue date of December 1, 1978.

(iv) Each participating employee shall have an irrevocable right at any time to demand and receive from the trustee all assets credited to his or her account or the value thereof, if he or she so prefers, without regard to any condition other than the loss or suspension of the privilege of participating further in the plan. However, a plan will not be deemed to be inconsistent herewith if it limits or modifies the exercise of any such right by providing that the employer's contribution does not vest absolutely until the employee shall have made contributions under the plan in each of not more than 60 calendar months succeeding the month for which the employer's contribution is made.

(v) Upon the death of an employee, his or her beneficiary shall have the absolute and unconditional right to demand and receive from the trustee all assets credited to the account of the employee, or the value thereof, if he or she so prefers.

(vi) When settlement is made with an employee or his or her beneficiary with respect to any bond registered in the name and title of the trustee in which the employee has a share (see paragraphs (b)(1) (ii) and (iii) of this section), the bond must be submitted for redemption or reissue to the extent of such share. If an employee or his or her beneficiary is to receive distribution in kind, bonds bearing the same issue dates as those credited to the employee's account will be reissued in the name of the distributee to the extent to which he or she is entitled, in any authorized form of registration, upon the request and certification of the trustee in accordance with the governing regulations.

(2) *Definitions of terms used in this subsection—related provisions.* (i) The term "savings plan" includes any regulations issued under the plan with

regard to Series E bonds. A trustee desiring to purchase bonds in excess of the general limitation in any calendar year should submit to the Federal Reserve Bank of the district, a copy of (a) the plan, (b) any such regulations, and (c) the trust agreement, all certified to be true copies, in order to establish eligibility.

(ii) The term "assets" means all funds, including the employees' contributions and employer's contributions and assets purchased therewith as well as accretions thereto, such as dividends on stock, the increment in value on bonds and all other income; but, notwithstanding any other provision of this subsection, the right to demand and receive "all assets" credited to the account of an employee shall not be construed to require the distribution of assets in kind when it would not be possible or practicable to make such distribution; for example, Series E bonds may not be reissued in unauthorized denominations, and fractional shares of stock are not readily distributable in kind.

(iii) The term "beneficiary" means the person or persons, if any, designated by the employee in accordance with the terms of the plan to receive the benefits of the trust upon his or her death of the estate of the employee, and the term "distributee" means the employee or his or her beneficiary.

§ 316.6 Purchase of bonds.

Series E bonds may be purchased, as follows:

(a) *Over-the-counter for cash.*—(1) *Bonds registered in names of natural persons in their own right only.* At such incorporated banks, trust companies, and other agencies as have been duly qualified as issuing agents.

(2) *Bonds registered in names of trustees of employees' savings plans.* At such incorporated bank, trust company, or other agency, duly qualified as an issuing agent, provided the agent is trustee of an approved employees' savings plan eligible for the special limitation in § 316.5(b) and prior approval to issue the bonds is obtained from the Federal Reserve Bank of the agent's district.

(3) *Bonds registered in all authorized forms.* At Federal Reserve Banks and Branches and at the Department of the Treasury, Washington, D.C. 20226.

(b) *On mail order.* By mail upon application to any Federal Reserve Bank or Branch or to the Department of the Treasury, accompanied by a remittance to cover the issue price. Any form of exchange, including personal checks, will be accepted subject to collection. Checks or other forms of exchange

should be drawn to the order of the Federal Reserve Bank or the United States Treasury, as the case may be. Checks payable by endorsement are not acceptable. Any depository qualified pursuant to the provisions of Department of the Treasury Circular No. 92, current revision (31 CFR, Part 203), will be permitted to make payment by credit for bonds applied for on behalf of its customers up to any amount for which it shall be qualified in excess of existing deposits, when so notified by the Federal Reserve Bank of its district.

(c) *Savings stamps.* The sale of United States Savings Stamps was terminated effective June 30, 1970. However, outstanding stamps affixed in fully or partially completed albums may be used to purchase Series E bonds at banks or other financial institutions authorized to issue such bonds. Stamps may also be redeemed for cash at post offices.

§ 316.7 Delivery of bonds.

Issuing agents are authorized to deliver Series E bonds either over-the-counter in person, or by mail at the risk and expense of the United States, to the address given by the purchaser, but only within the United States, its territories and possessions, and the Commonwealth of Puerto Rico. No mail deliveries elsewhere will be made. If purchased by citizens of the United States temporarily residing abroad, the bonds will be delivered at such address in the United States as the purchaser directs.

§ 316.8 Extended terms and improved yields for outstanding bonds.

(a) *Extended maturity periods.*—(1) *General.* The terms "extended maturity period", "second extended maturity period", and "third extended maturity period", when used herein, refer to 10-year intervals after the original maturity dates during which owners may retain their bonds and continue to earn interest on the maturity values or the extended maturity values.⁶ No special action is required of owners desiring to take advantage of any extensions heretofore or herein granted.⁷

(2) *Bonds with issue dates from May 1, 1941, through April 1, 1952.* Series E bonds with issue dates from May 1, 1941, through April 1, 1952, will reach final maturity 40 years from their respective issue dates.

⁶The redemption value of any bond at the original and each extended maturity date is the base, in each instance, upon which interest will accrue during the period following.

⁷The tables incorporated herein, arranged according to issue dates, show current redemption values and investment yields.

(3) *Bonds with issue dates from May 1, 1952, through November 1, 1965.* Owners of Series E bonds with issue dates from May 1, 1952, through November 1, 1965, may retain their bonds for a third extended maturity period of 10 years.

(4) *Bonds with issue dates from December 1, 1965, through June 1, 1980.* Owners of Series E bonds with issue dates from December 1, 1965, through June 1, 1980, may retain their bonds for a second extended maturity period of 10 years.

(b) *Improved yields*⁸—*Outstanding bonds.* The investment yield on all outstanding Series E bonds is hereby increased as follows:

(1) *Bonds reaching original maturity on or after December 1, 1979.* By approximately ½ of 1 percent per annum, compounded semiannually, to original maturity, on or after December 1, 1979, but only if the bonds are held to their respective maturity dates. The increase will be effective with the first interest accrual period starting on or after June 1, 1979.

(2) *Bonds which entered an extended maturity period prior to December 1, 1979.* By approximately ½ of 1 percent per annum, compounded semiannually, for the remaining period to their next maturity dates. The increase will be effective with the first interest accrual period starting on or after June 1, 1979.

(3) *Future extensions.* The investment yield for any future authorized extensions, other than as set forth in paragraphs b (1) or (2) of this section, will be at the rate of 6.5 percent per annum, compounded semiannually, unless such rate is changed prior to the commencement of the future extension period.

(4) *11-year bonus.* In addition to the improved yields specified above, a bonus of ½ of 1 percent per annum, compounded semiannually, will be paid for the 11-year period from the first semiannual interest period beginning on or after January 1, 1980, to the first semiannual interest period beginning on or after January 1, 1991, on all bonds which have not been redeemed or reached final maturity prior to completion of the 11-year period. Payment of the bonus will be made as part of the redemption value.

§ 316.9 Taxation.

(a) *General.* For the purpose of determining taxes and tax exemptions, the increment in value represented by the difference between the price paid for

⁸ See Appendix for summary of investment yields to the original and each extended maturity date under regulations heretofore and herein prescribed.

Series E bonds and the redemption value received therefor shall be considered as interest. Such interest is subject to all taxes imposed under the Internal Revenue Code of 1954. The bonds are subject to estate, inheritance, gift, or other excise taxes, whether Federal or State, but are exempt from all taxation now or hereafter imposed on the principal or interest thereof by any State, or any of the possessions of the United States, or by any local taxing authority.

(b) *Federal income tax on bonds.* An owner of Series E bonds who is a cash basis taxpayer may use either of two methods of reporting the increase in the redemption value of the bonds for Federal income tax purposes as follows:

(1) Defer reporting the increase to the year of final maturity, actual redemption, or other disposition, whichever is earlier; or

(2) Elect to report the increases each year as they accrue, in which case the election will apply to all Series E bonds then owned and to those thereafter acquired, as well as to any other similar obligations sold on a discount basis.

If the method in paragraph (b)(1) of this section is used, the taxpayer may change to the method in paragraph (b)(2) of this section without obtaining permission from the Internal Revenue Service. However, once the election to use the method in paragraph (b)(2) of this section is made, the taxpayer may not change the method of reporting unless he or she obtains permission to do so from the Internal Revenue Service. For further information on Federal taxes, consult the Service Center Director, or District Director, of the taxpayer's district, or the Internal Revenue Service, Washington, D.C. 20224.

§ 316.10 Payment or redemption.

(a) *General.* A Series E bond may be redeemed in accordance with its terms at the appropriate redemption value shown in the applicable table hereof. The redemption values of bonds in the denomination of \$100,000⁹ are not shown in the tables. However, the redemption value of a bond in that denomination will be equal to the total redemption values of ten \$10,000 bonds bearing the same issue dates. A bond in a denomination higher than \$25 (face amount) may be redeemed in part but only in the amount of an authorized denomination or multiple thereof.

(b) *Federal Reserve Banks and Branches and United States Treasury.* Owners of Series E bonds may obtain payment upon presentation and

⁹ See footnote 1. to Sec. 316.2.

surrender of the bonds to a Federal Reserve Bank or Branch or to the Department of the Treasury with the request for payment on the bonds duly executed and certified in accordance with the governing regulations.

(c) *Incorporated banks, trust companies and other financial institutions.* An individual (natural person) whose name is inscribed on a Series E bond either as owner or coowner in his or her own right may present such bond to any incorporated bank or trust company or other financial institution which is qualified as a paying agent under Department of the Treasury Circular No. 750, current revision (31 CFR, Part 321). If such bond is in order for payment by the paying agent, the owner or coowner, upon establishing his or her identity to the satisfaction of the agent and upon signing the request for payment and adding his or her home or business address, may receive payment of its current redemption value.

§ 316.11 Reservation as to issue of bonds.

The Secretary of the Treasury reserves the right to reject any application for Series E bonds, in whole or in part, and to refuse to issue or permit to be issued hereunder any such bonds in any case or any class or classes of cases if he deems such action to be in the public interest, and his action in any such respect shall be final.

§ 316.12 Preservation of rights.

Nothing contained herein shall limit or restrict rights which owners of Series E bonds heretofore issued have acquired under offers previously in force.

§ 316.13 Fiscal agents.

Federal Reserve Banks and Branches, as fiscal agents of the United States, are authorized to perform such services as may be requested of them by the Secretary of the Treasury in connection with the issue, delivery, redemption, and payment of Series E bonds.

§ 316.14 Reservations as to terms of offer.

The Secretary of the Treasury may at any time or from time to time supplement or amend the terms of this offering of bonds, or of any amendments or supplements thereto.
