WIKIDATA LAB XXXVI

PARTICIPATORY MACHINE LEARNING IN WIKIMEDIA: ORES

This training aims to share resources and capabilities for the integration of Wikidata with other Wikimedia projects.

In this event, part of the Wikidata Labs series and in conjunction with Open Data Day, there will be a presentation and a series of practical activities and discussions on the development and role of machine learning in the Wikimedia projects.

The event is aimed at training the community of editors of Wikimedia projects. The training coordination will be carried out by the wikimedians Lydia Pintscher and Éder Porto, in English.

The event will be online. Please, if you are interested in participating in the event, register on the registration page. There is no registration fee. Unlimited places.

Local: Online
Date: March 8, 2022 (Wednesday) at 16h UTC.
