EXTRACTS FROM LAWS, ETC.

BANCROFT LIBRARY

OATH OF MAIL CONTRACTORS AND CARRIERS, REQUIRED BY ACT OF CONGRESS, JUNE 8, 1872.

I, ———, do solemnly swear (or affirm) that I will faithfully perform all the duties required of me, and abstain from everything forbidden by the laws in relation to the establishment of post offices and post-roads within the United States; and that I will honestly and truly account for and pay over any money belonging to the said United States which may come into my possession or control. So help me God.

By section 16 of the act of June 8, 1872, every person employed in the postal service is subject to all the pains, penalties, and forfeitures for violation of the laws relating to such service, whether he has taken the above oath or affirmation or not.

SECTIONS OF THE ACT OF CONGRESS "TO REVISE, CONSOLIDATE, AND AMEND THE STATUTES RELATING TO THE POST OFFICE DEPARTMENT," APPROVED JUNE 8, 1872.

The POSTMASTER GENERAL requests that bidders, guarantors, sureties, and all persons concerned, or intending to be concerned, in mail contracts, will carefully read and critically examine the abstract of laws here presented, and also the forms and instructions at the end of this advertisement, in order that bids may be made and liabilities assumed understandingly, and that all misapprehensions or cause of complaint hereafter may be avoided.

POSTMASTERS are required to make themselves familiar with these laws and instructions, that they may be able to inform and direct others.

CERTIFIED CHECKS OR DRAFTS TO ACCOMPANY ALL BIDS OF \$5,000 AND UPWARD.

SEC. 253. That hereafter all bidders upon every mail route for the transportation of the mails upon the same, where the annual compensation for the service on such route at the time exceeds the sum of five thousand dollars, shall accompany their bids with a certified check, or draft, payable to the order of the Postmaster General, upon some solvent national bank, which check or draft shall not be less than five per centum on the amount of the annual pay on said route at the time such bid is made; and in case of new service,* not less than five per centum of the

* "New Service" is to be understood as including service which differs in any respect from that at present existing as well as service to be placed on routes not now in operation.

amount of one year's pay proposed in such bid, if the bid exceed five thousand dollars per annum. In case any bidder, on being awarded any such contract, shall fail to execute the same, with good and sufficient sureties, according to the terms on which such bid was made and accepted, and enter upon the performance of the service to the satisfaction of the Postmaster General, such bidder shall forfeit the amount so deposited to the United States, and the same shall forthwith be paid into the Treasury for the use of the Post Office Department; but if such contract shall be duly executed and the service entered upon as aforesaid, such draft or check so deposited shall be returned to the bidder.

Postmasters, clerks, &c., cannot be contractors.

SEC. 78. That no postmaster, assistant postmaster, or clerk employed in any post office, shall be a contractor or concerned in a contract for carrying the mail.

Persons in the employ of the Post Office Department (including postmasters) cannot become interested in a mail contract, nor act as agent of contractors or bidders.

SEC. 12. That no person employed in the Post Office Department shall become interested in any contract for carrying the mail, or act as agent, with or without compensation, for any contractor or person offering to become a contractor in any business before the Department; and any person so offending shall be immediately dismissed from office, and shall be liable to pay so much money as would have been realized from said contract, to be recovered in an action of debt, for the use of the Post Office Department.

By regulation of the Department, no carrier should be employed who is under sixteen years of age; and no bidder will be accepted who is under twenty-one years of age, or who is a married woman.

Conveyance of letters out of the mail. Private expresses, &c.

SEC. 227. That any person concerned in carrying the mail who shall collect, receive, or carry any letter or packet, or cause or procure the same to be done, contrary to law, shall, on conviction thereof, for every such offense, forfeit and pay not exceeding fifty dollars.

SEC. 228. That no person shall establish any private express for the conveyance of letters or packets, or in any manner cause or provide for the conveyance of the same by regular trips or at stated periods, over

any post-route which is or may be established by law, or from any city, town, or place to any other city, town, or place between which the mail is regularly carried; and every person so offending, or aiding or assisting therein, shall, for each offense, forfeit and pay one hundred and fifty dollars.

SEC. 229. That the owner of every stage-coach, railway-car, steamboat, or other vehicle or vessel, which shall, with the knowledge of any owner, in whole or in part, or with the knowledge or connivance of the driver, conductor, master, or other person having charge of the same, convey any person acting or employed as a private express for the conveyance of letters or packets, and actually in possession of the same for the purpose of conveying them contrary to the spirit, true intent, and meaning of this law, shall, for every such offense, forfeit and pay one hundred and fifty dollars.

SEC. 230. That no person shall transmit by private express or other unlawful means, or deliver to any agent of such unlawful express, or deposit, or cause to be deposited, at any appointed place, for the purpose of being transmitted, any letter or packet, and for every such offense the party so offending shall forfeit and pay fifty dollars.

SEC. 231. That no stage-coach, railway-car, steamboat, or other vehicle or vessel which regularly performs trips at stated periods on any post-route, or from any city, town, or place to any other city, town, or place between which the mail is regularly carried, shall carry, otherwise than in the mail, any letters or packets, except such as relate to some part of the cargo of such steamboat or other vessel, or to some article carried at the same time by the same stage-coach, railway-car, or other vehicle, except as provided in section two hundred and thirty-nine; and for every such offense the owner of the stage-coach, railway-car, steamboat, or other vehicle or vessel shall forfeit and pay one hundred dollars; and the driver, conductor, master, or other person having charge thereof, and not at the time owner of the whole or any part thereof, shall in like manner forfeit and pay for every such offense fifty dollars.

(Section 239 permits conveyance of letters in stamped envelopes otherwise than by mail.)

*Proposals must be guaranteed, and accompanied by oath of the bidder.
Liability of postmasters.*

SEC. 245. That every proposal for carrying the mail shall be accompanied by a written guarantee, signed by one or more responsible persons, and undertaking that, within such time after the bid is accepted as the Postmaster General may prescribe, the bidder will enter into an obligation, with good and sufficient sureties, to perform the service proposed; and no proposals shall be considered unless accompanied by such guarantee.

SEC. 246. That each bid for carrying the mail shall hereafter have affixed to it the oath of the bidder, taken before an officer qualified to

administer oaths, that he has the ability pecuniarily to fulfill his obligations, and that the bid is made in good faith and with the intention to enter into contract and perform the service, in case his bid shall be accepted; and that the signatures of his guarantors are genuine, and that he believes said guarantors pecuniarily responsible for and able to pay all damages the United States shall suffer by reason of the bidder's failing to perform his obligations as such bidder.

SEC. 247. That any postmaster or other officer of the Post Office Department who shall affix his signature to the certificate of sufficiency of guarantors or sureties before the guarantee or contract is signed by the guarantors or sureties, or shall knowingly make any false or illusory certificate, shall be forthwith dismissed from office, and shall be deemed guilty of a misdemeanor, and shall, on conviction thereof, be punished by a fine not exceeding one thousand dollars, or by imprisonment not exceeding one year, or both.

Service to be awarded to the lowest bidder. Bids of failing contractors may not be considered.

SEC. 249. That all contracts for carrying the mail shall be in the name of the United States, and shall be awarded to the lowest bidder tendering sufficient guarantees for faithful performance, without other reference to the mode of transportation than may be necessary to provide for the due celerity, certainty, and security thereof; but the Postmaster General shall not be bound to consider the bid of any person who has willfully or negligently failed to perform a former contract.

Combinations to prevent bidding prohibited.

SEC. 250. That no contract for carrying the mail shall be made with any person who has entered, or proposed to enter, into any combination to prevent the making of any bid for carrying the mail, or who has made any agreement, or given or performed, or promised to give or perform, any consideration whatever to induce any other person not to bid for any such contract; and if any person so offending is a contractor for carrying the mail, his contract may be annulled; and for the first offense the person so offending shall be disqualified to contract for carrying the mail for five years, and for the second offense shall be forever disqualified.

Failing bidders and contractors. Contracts may be extended, and temporary contracts made.

SEC. 251. That after any regular bidder or contractor for the transportation of the mail upon any route shall have failed to enter into con-

tract, and commence the performance thereof as herein provided, the Postmaster General shall proceed to contract with the next lowest bidder for such service, who will enter into a contract and perform the same, unless the Postmaster General shall consider such bid too high, in which case he shall re-advertise such service. *And in all cases of regular contracts hereafter made the contract may, in the discretion of the Postmaster General, be continued in force beyond its express terms for a period not exceeding six months, until a new contract with the same or other contractors shall be made by the Postmaster General.* The Postmaster General may contract, without advertisement, for a period not to exceed twelve months, for the carriage of the mail on such route during the time that shall necessarily elapse between the failure of either of the accepted bidders to enter into a contract and the time when the next accepted bidder under the old or a new advertisement shall enter upon his contract; and the difference between the price proposed in the accepted bid and that paid for intermediate service shall be charged to the failing bidder or bidders, and may be recovered in the name of the United States, for the use of the Post Office Department, in an action on the case. And when the contract shall be made and concluded, the difference between the accepted bid of the failing bidders and the amount payable under the contract for the service of two years shall be forthwith charged against the failing bidder or bidders; and an action for such sum in the nature of liquidated damages shall accrue to the United States for the use of the Post Office Department immediately upon the execution of the final contract.

Bidders not released until a contract is entered into and service begun.

SEC. 252. That no bidder for carrying the mails shall be released from his obligation under his bid or proposal, notwithstanding an award made to a lower bidder, until a contract for the designated service shall have been duly executed by such lower bidder and his sureties, and accepted, and the service entered upon by the contractor to the satisfaction of the Postmaster General.

Failing contractors guilty of a misdemeanor.

SEC. 254. That any person or persons bidding for the transportation of the mails upon any route which may be advertised to be let, and receiving an award of the contract for such service, who shall wrongfully refuse or fail to enter into contract with the Postmaster General in due form, and perform the service described in his or their bid or proposal, shall be deemed guilty of a misdemeanor, and, on conviction thereof, be punished by a fine not exceeding five thousand dollars, and by imprisonment for a term not exceeding twelve months.

No pay to be made until contracts are executed.

SEC. 259. That no person whose bid for carrying the mail is accepted shall receive any pay until he has executed his contract according to law and the regulations of the Department.

Compensation for additional service restricted and regulated.

SEC. 260. That compensation for additional service in carrying the mail shall not be in excess of the exact proportion which the original compensation bears to the original service ; and when any such additional service is ordered, the sum to be allowed therefor shall be expressed in the order, and entered upon the books of the Department ; and no compensation shall be paid for any additional regular service rendered before the issuing of such order.

SEC. 261. That no extra allowance shall be made for any increase of expedition in carrying the mail unless thereby the employment of additional stock and carriers is made necessary, and in such case the additional compensation shall bear no greater proportion to the additional stock and carriers necessarily employed than the compensation in the original contract bears to the stock and carriers necessarily employed in its execution.

Deductions may be made, and fines imposed, for delinquencies.

SEC. 266. That the Postmaster General may make deductions from the pay of contractors for failures to perform service according to contract, and impose fines upon them for other delinquencies. He may deduct the price of the trip in all cases where the trip is not performed ; and not exceeding three times the price if the failure be occasioned by the fault of the contractor or carrier.

Contracts cannot be assigned nor transferred.

SEC. 271. That no contractor for transporting the mail within or between the United States and any foreign country shall assign or transfer his contract, and all such assignments or transfers shall be null and void.

Schedules to be furnished and posted up in post offices. Registers to be returned and reports made.

SEC. 70. That the Postmaster General shall furnish to the postmasters at the termination of each route a schedule of the time of arrival and departure of the mail at their offices, respectively, to be posted in a

conspicuous place in the office; and the Postmaster General shall also give the postmaster notice of any change in the arrival and departure that may be ordered; and he shall cause to be kept and returned to the Department, at short and regular intervals, registers showing the exact times of the arrivals and departures of the mail.

By act of Congress, approved April 21, 1808, no member of Congress can be a contractor, or be concerned, directly or indirectly, in any contract with the Government; and by the same act it is made a high misdemeanor for any officer of the United States to enter, in its behalf, into a contract with a member of Congress.

[But if a member withdraw from a contract it may be concluded with the other partners.—*Opinion of Attorney General*, 4, 47. A contract with one who is elected a member of Congress during its continuance is not affected by such election.—*Ibid*, 5, 697.]

The Postmaster General has no power, under the law, to release bidders and contractors and their guarantors and sureties from their liabilities on the allegation of real or supposed mistakes of any kind in making proposals. He particularly requests that, before bidding, the fullest inquiry and investigation be made in regard to the route, distance, service, weight of mails, cost of stock, feed, and all expenses existing and likely to occur during the contract term, and with due consideration of the consequences imposed by law on delinquents.

CONTRACTS TO BE EXECUTED AND FILED IN THE DEPARTMENT BY THE
1ST DAY OF JUNE.

Contracts must be executed and returned to the Department by the 1st day of June, 1874, otherwise the accepted bidder shall be considered as having failed, and the Postmaster General may proceed to contract for the service with other parties according to law.

FORM OF PROPOSAL, GUARANTEE, AND CERTIFICATE.

Proposal.

The undersigned _____, whose post-office address is _____, county of _____, State of _____, proposes to convey the mails of the United States, from July 1, 1874, to June 30, 1878, on route No. _____, between _____ and _____, under the advertisement of the Postmaster General, dated October 1, 1873, "with celerity, certainty, and security" (law of June 8, 1872), for the annual sum of _____ dollars.

This proposal is made with full knowledge of the distance of the route, the weight of the mail to be carried, and all other particulars in reference to the route and service; and, also, after careful examination of the laws and instructions attached to advertisement of mail service; and of the provisions contained in the act of Congress of June 8, 1872.

Dated _____, Bidder.

Guarantee.

The undersigned, residing at _____, State of _____, undertake that, if the foregoing bid for carrying the mail on route No. _____ be accepted by the Postmaster General, the bidder will, prior to the 1st June, 1874, enter into the required obligation or contract to perform the service proposed, with good and sufficient sureties.

This we do, understanding distinctly the obligations and liabilities assumed by guarantors.

Dated _____

Certificate.

The undersigned, postmaster at _____, State of _____, certifies, UNDER HIS OATH OF OFFICE, that he is acquainted with the above guarantors, and knows them to be men of property, and able to make good their guarantee; and that bidder and guarantors are above the age of 21 years.

Bids of \$5,000 and upward must be accompanied by a certified check, or draft, on some solvent national bank, equal to 5 per centum on the present annual pay on the route; or in case of new service, not less than 5 per centum of one year's pay proposed in bid.—(Section 253, Act of June 8, 1872.)

The Postmaster must not sign the certificate until the sum of the bid is inserted and the bid and guarantee signed by all the parties, and dated.

OATH REQUIRED BY SECTION 246 OF AN ACT OF CONGRESS APPROVED JUNE 8, 1872, TO BE AFFIXED TO EACH BID FOR CARRYING THE MAIL, AND TO BE TAKEN BEFORE AN OFFICER QUALIFIED TO ADMINISTER OATHS.

I, _____, of _____, bidder for conveying the mail on route No. _____, from _____, do swear that I have the ability pecuniarily to fulfill my obligation as such bidder; that the bid is made in good faith, and with the intention to enter into contract and perform the service in case said bid shall be accepted; and that the signatures of the guarantors thereto are genuine, and that I believe the said guarantors to be pecuniarily responsible for and able to pay all damages the United States shall suffer by reason of my failing to perform my obligations as such bidder.

Sworn to and subscribed before me _____, for the _____ of _____ this _____ day of _____, A. D. 187 , and in testimony thereof I hereunto subscribe my name and affix my official seal the day and year aforesaid.

_____ [SEAL.]

NOTE.—When the oath is taken before a justice of the peace, the certificate of the clerk of a court of record should be added, under his seal of office, that the person who administered the oath is a duly qualified justice of the peace.

INSTRUCTIONS TO BIDDERS AND POSTMASTERS;

Containing also conditions to be incorporated in the contracts to the extent the Department may deem proper.

1. Seven minutes are allowed to each intermediate office, when not otherwise specified, for assorting the mails.

2. On routes where the mode of conveyance admits of it, the special agents of the Post Office Department, also post office blanks, mail bags, locks and keys, are to be conveyed without extra charge.

3. "Way bills" or receipts, prepared by postmasters or other agents of the Department, will accompany the mails, specifying the number and destination of the several bags, to be examined by the postmasters, to insure regularity in the delivery of bags and pouches.

4. No pay will be made for trips not performed; and for each of such omissions, if the failure be occasioned by the fault of the contractor or carrier, three times the pay of the trip will be deducted. For arrivals so far behind time as to break connection with depending mails, and not sufficiently excused, one-fourth of the compensation for the trip is subject to forfeiture. For repeated delinquencies of the kind herein specified, enlarged penalties, proportioned to the nature thereof, and the importance of the mail, may be made.

5. For leaving behind or throwing off the mails, or any portion of them, for the admission of passengers, or for being concerned in setting up or running an express conveying intelligence in advance of the mail, a quarter's pay may be deducted.

6. Fines will be imposed, unless the delinquency be promptly and satisfactorily explained by certificates of postmasters or the affidavits of other credible persons, for failing to arrive in contract time; for neglecting to take the mail from, or deliver it into, a post office; for suffering it to be wet, injured, destroyed, robbed, or lost; and for refusing, after demand, to convey the mail as frequently as the contractor runs, or is concerned in running, a coach, car, or steamboat on a route.

7. The Postmaster General may annul the contract for repeated failures to run agreeably to contract; for violating the post office laws, or disobeying the instructions of the Department; for refusing to discharge a carrier when required by the Department to do so; for running an express as aforesaid; or for transporting persons or packages conveying mailable matter out of the mail.

8. The Postmaster General may discontinue or extend this contract, change the schedule and termini of the route, and alter, increase, decrease, or extend the service, in accordance with law, he allowing a *pro*

rata increase of compensation for any additional service thereby required, or for increased speed, if the employment of additional stock or carriers is rendered necessary; and in case of decrease, curtailment, or discontinuance of service, as a full indemnity to said contractor, one month's extra pay on the amount of service dispensed with, and a *pro' rata* compensation for the service retained. *Provided, however,* that, in case of increased expedition, the contractor may, upon timely notice, relinquish the contract.

9. Payments will be made by collections from, or drafts on, postmasters or otherwise, after the expiration of each quarter—say in November, February, May, and August, provided that required evidence of service has been received.

10. The distances given are believed to be substantially correct; but no increased pay will be allowed should they be greater than advertised, if the points to be supplied are correctly stated. *Bidders must inform themselves on this point,* and also in reference to the weight of the mail, the condition of hills, roads, streams, &c., and all toll-bridges, turnpikes, plank-roads, ferries, or obstructions of any kind by which expense may be incurred. No claim for additional pay, based on such ground, can be considered; nor for alleged mistakes or misapprehension as to the degree of service; nor for bridges destroyed, ferries discontinued, or other obstructions causing or increasing distance or expense occurring during the contract term. Offices established after this advertisement is issued, and also during the contract term, are to be visited without extra pay, if the distance be not increased.

11. Bidders are cautioned to mail their proposals in time to reach the Department by the day and hour named (3 p. m., February 2, 1874), as bids received after that time *will not be considered* in competition with bids, of reasonable amount, received in time. Neither can bids be considered which are without the guarantee required by law, and a certificate of the sufficiency of such guarantee, and the oath of the bidder according to section 246, act of June 8, 1872.

12. Bidders should first propose for service strictly according to the advertisement, and then, if they desire, *separately* for different service; and if the *regular* bid be the lowest offered for the advertised service, the other propositions may be considered.

13. There should be but one route bid for in a proposal. Consolidated or combination bids ("proposing one sum for two or more routes") cannot be considered.

14. The route, the service, the yearly pay, the name and residence of the bidder (that is, his usual post-office address), and the name of each member of a firm, where a company offers, should be distinctly stated.

15. Bidders are requested to use, as far as practicable, the printed proposals furnished by the Department, to write out in full the sum of their bids, and to retain copies of them.

Altered bids should not be submitted; nor should bids once submitted be withdrawn. No withdrawal of a bidder or guarantor will be allowed unless the withdrawal is received twenty-four hours previous to the time fixed for opening the proposals.

Each bid must be guaranteed by two responsible persons. The bid and guarantee should be *signed* plainly with the full name of each person.

The Postmaster General reserves the right to reject any bid which may be deemed extravagant; and also to disregard the bids of failing contractors and bidders. (Act of June 8, 1872, section 249.)

16. The bid should be sealed, superscribed "Mail Proposals, State of _____," addressed "Second Assistant Postmaster General, Contract Office." Bids of \$5,000 per annum and upward must be accompanied by a certified check, or draft, on some solvent national bank, equal to 5 per cent. of the amount; also bids for service which now costs \$5,000 or more per annum. Where the present pay is \$5,000 or more, it is stated in the advertisement under the appropriate route.

17. *The contracts are to be executed and returned to the Department by or before the 1st day of June, 1874, otherwise the accepted bidder will be considered as having failed, and the Postmaster General may proceed to contract for the service with other parties, according to law.*

Transfers of contracts, or of interest in contracts, are forbidden by law, and consequently cannot be allowed. Neither can bids, or interest in bids, be transferred or assigned to other parties. Bidders will therefore take notice that they will be expected to perform the service awarded to them through the whole contract term.

18. Section 249 of the act of June 8, 1872, provides that contracts for the transportation of the mail shall be "awarded to the lowest bidder tendering sufficient guarantees for faithful performance, without other reference to the mode of such transportation than may be necessary to provide for the due celerity, certainty, and security thereof." Under this law bids that propose to transport the mails with "*celerity, certainty, and security,*" *having been decided to be the only legal bids, are construed as providing for the entire mail, however large, and whatever may be the mode of conveyance necessary to insure its "celerity, certainty, and security," and have the preference over all others, and no others are considered, except for steamboat routes.*

19. A modification of a bid in any of its essential terms is tantamount to a new bid, and cannot be received, so as to interfere with regular competition. Making a new bid, with guarantee and certificate, is the only way to modify a previous bid.

20. Postmasters are to be careful not to certify to the sufficiency of guarantors without knowing that they are persons of sufficient responsibility. (See section 247, act of June 8, 1872.) They must not sign the certificate until the sum of the bid is inserted, and the bid and guarantee are signed by the bidder and (two) guarantors; *a disregard of this instruction by postmasters will subject them to immediate removal and to severe penalties.*

Postmasters are also liable to dismissal from office for acting as agents of contractors or bidders, with or without compensation, in any business, matter, or thing relating to the mail service. They are the trusted agents of the Department, and cannot consistently act in both capacities.

21. All bidders, guarantors, and sureties are distinctly notified that on a failure to enter into or perform the contracts for the service proposed for in the accepted bids, their legal liabilities will be enforced against them.

22. Present contractors, and persons known at the Department, must, equally with others, procure guarantors and certificates of their sufficiency substantially in the forms above prescribed. The certificate of sufficiency must be signed by a postmaster.

23. In all cases where the routes are not fully supplied with the necessary locks and pouches, it is the duty of the postmaster at the head of the route to make requisition on the Contract Office of this Department for such locks and pouches before 1st July next, provided the route be let.

JNO. A. J. CRESWELL,
Postmaster General.
