1. Legal sufficiency review has been completed on the subject Combatant Status Review Tribunal in accordance with references (a) and (b). After reviewing the record of the Tribunal, I find that:

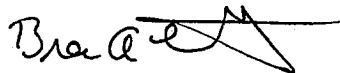

- a. The detainee was properly notified of the Tribunal process and affirmatively declined to participate in the Tribunal.
- b. The Tribunal was properly convened and constituted by enclosure (1).

A letter from the Personal Representative initially assigned to represent the detainee at Guantanamo Bay, Cuba reflects the detainee's elections and is attached to the Tribunal Decision Report as exhibit D-b. The Tribunal was held *in absentia* outside Guantanamo Bay with a new Personal Representative who was familiar with the detainee's file. This Personal Representative had the same access to information, evidence, and witnesses as

**UNCLASSIFIED SUMMARY OF BASIS FOR TRIBUNAL
DECISION**

(Enclosure (1) to Combatant Status Review Tribunal Decision Report)

TRIBUNAL PANEL: _____ #18
ISN #: _____ 040

1. Introduction

As the Combatant Status Review Tribunal (CSRT) Decision Report indicates, the Tribunal has determined that this detainee is properly classified as an enemy combatant and was associated with al Qaida and Taliban forces and participated in military operations against the U.S. or coalition forces. In reaching its conclusions, the Tribunal considered both classified and unclassified information. The following is an account of the unclassified evidence considered by the Tribunal and other pertinent information. Classified evidence considered by the Tribunal is discussed in Enclosure (2) to the CSRT Decision Report.

2. Synopsis of Proceedings

The Tribunal conducted the proceeding on 9 November 2004. The Recorder presented Exhibits R-1 and R-2 during the unclassified portion of the Tribunal. The Unclassified Summary of Evidence, Exhibit R-1, indicates, among other things, that the detainee: that the detainee departed Yemen for Karachi, Pakistan in February 2001; that the detainee was a security guard for Usama Bin Laden; that the detainee taught topography and weapons courses at an advanced military training camp; that he was seen at Mullah Omar's compound; was identified in Tora Bora and left the region with 30 other suspected al Qaida members; and that the detainee was captured crossing into Pakistan from Afghanistan on 15 December 2001 with the same 30 suspected al Qaida members. The Recorder called no witnesses.

The detainee did not attend the Tribunal hearing and affirmatively declined to participate. He also did not provide the Personal Representative with any statements or evidence to present on his behalf. The detainee's decision is reflected on the Detainee Election Form (Exhibit D-a) and Guantanamo Personal Representative affidavit (Exhibit D-b). The Personal Representative presented no evidence and called no witnesses.

During the classified portion of the Tribunal hearing, the Recorder presented Exhibits R-3 through R-24. These exhibits had been reviewed by the Personal Representative prior to being presented to the Tribunal. The Personal Representative presented no classified exhibits.

3. Evidence Considered by the Tribunal

The Tribunal considered the following evidence in reaching its conclusions:

- a. Exhibits: R-1 through R-24, D-a and D-b.
- b. Testimony of the following persons: None.
- c. Statement of the detainee: None.

4. Rulings by the Tribunal on Detainee Requests for Evidence or Witnesses

The detainee requested no witnesses.

The detainee requested no additional evidence be produced.

5. Discussion of Unclassified Evidence

The Recorder offered Exhibits R-1 and R-2 into evidence during the unclassified portion of the proceeding. Exhibit R-1 is the Unclassified Summary of Evidence. While this summary is helpful in that it provides a broad outline of what the Tribunal can expect to see, it is not persuasive in that it provides conclusory statements without supporting unclassified evidence. Exhibit R-2, the FBI redaction certification, provides no usable evidence. Because there was no other unclassified evidence for the Tribunal to consider, the Tribunal had to look to the classified exhibits to support the assertions on the Unclassified Summary of Evidence and the Tribunal's conclusions.

6. Consultations with the CSRT Legal Advisor

No issues arose during the course of this hearing that required consultation with the CSRT Legal Advisor.

7. Conclusions of the Tribunal

Upon careful review of all the evidence presented in this matter, the Tribunal makes the following determinations:

a. The detainee chose not to participate in the Tribunal proceeding. No evidence was produced that caused the Tribunal to question whether the detainee was mentally and physically capable of participating in the proceeding, had he wanted to do so. Accordingly, no medical or mental health evaluation was requested or deemed necessary.

b. The Personal Representative informed the Tribunal that the detainee understood the Tribunal process but chose not to participate, as indicated in Exhibit D-a and Exhibit D-b.

c. The detainee is properly classified as an enemy combatant because he part of al Qaida and the Taliban forces and participated in military operations against the United States or coalition forces.

8. Dissenting Tribunal Member's report

None. The Tribunal reached a unanimous decision.

Respectfully submitted,

Colonel, U.S. Air Force
Tribunal President
