WOULD YOU GAIN A MAIDEN'S HEART. Madrigal. By ROBERT SLOMAN, Mus. Bac., Oxon. Dedicated by permission to Mr. H. Leslie's Choir.

"To write a good madrigal is no easy task. In addition to genius and feeling, it demands a large amount of musical scholarship; and so perfect are the models of this class of composition—the Italian and English madrigals of the sixteenth and seventeenth centuries, the Augustan age of pure vocal harmony—that the production of a madrigal like those of Marenzio or Wilbye, has been said to be as arduous as an attempt to rival a statue of Praxiteles or Phidias. . . . Mr. Sloman's music has a relish of the olden time. The separate parts are exceedingly melodious, and the effect produced by their combination is full and rich, while there is not a speck upon the transparent clearness of the harmony. Altogether this is a charming madrigal, and does honour to its author."—*The Press.*

"At the present time there are many families who have musical meetings at home once or twice during the month, and to these we recommend this charming madrigal."—*The Ladies' Treasury.*
