A high-angle photograph of four children gathered around a wooden board game. The board features a complex diagram with a central star-like shape, various colored circles (red, yellow, black, white), and arrows indicating movement. The children are wearing bright-colored shirts: one in orange, one in red, and one in green. The text 'Allocate resources (\$, time, etc).' is overlaid in large white font across the center of the board.

A large, diverse group of people, including men and women of various ages and ethnicities, are posing for a group photo in front of a modern building entrance. The group is arranged in several rows, with some people kneeling or sitting in the front. Many are wearing lanyards with name tags. The building behind them has large glass windows and concrete pillars. The text "Let's make space for everyone." is overlaid in large white font across the center of the image.

Let's make space for everyone.

Thank you
