MEDICAL.

DR. HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
PREPARED BY
Dr. C. M. JACKSON Philad'a, Pa.,
WHO SPECIALLY CURE
LIVER COMPLAINT, DYSPEPSIA,

Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all Diseases arising from a disordered Liver or Stomach.

Such as Constipation, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and difficult Breathing, Fluttering at the Heart, Choking or suffocating sensations when in a lying posture, Dimness of Vision, Dot of web before the Sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c. Sudden Flushes of Heat, Burning in the Flesh, Constant Imagining of Evil and great Depression of spirits.

The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the disease for which it is recommended.

It is no new and untried article, but one that has stood the test of many years' trial before the American people, and its reputation and sale is unrivalled by any similar preparation extant. The testimony in its favor, given by the most prominent and well known Physicians and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that the remedy is really deserving the great celebrity it has obtained.

Principal office and manufactory No. 66 ARCH Street, Philadelphia.

Testimony from Louisiana.

THE GERMAN BITTERS SUPERIOR TO ALL PREPARATIONS NOW IN USE.

JACKSON, La., August 15, 1854.

DEAR SIR,—I feel bound to express my gratification to you for the benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and cheerfully recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use." Very respectfully yours,

H. OPPENHEIMER

THE BITTERS ALL THEY ARE REPRESENTED TO BE.

JACKSON, La., August 20, 1854.

DEAR SIR:—I have used your German Bitters and find them all they are represented to be, and cheerfully recommend them to the public as an excellent medicine." Respectfully yours,

W. F. FAULKNER.

L. MAYER says:

HARRISONBURG, La., May 23, 1853.

"Your German Bitters are a very valuable medicine! I have disposed of all I received from you, and wish a new supply immediately.

Dr. RAYBOLD QUAIL says:

HIGHLAND, La., June 20, 1853.

"I have for the last year sold Hoofland's German Bitters, prepared by you, in my practice extensively. It will shortly be the only medicine of the kind that can be readily sold here, and I believe that in less than one year there will be more sold in this vicinity than in any other part of the country."

Dr. RAIN says:

FRANKLIN, La., June 24, 1852.

"Your German Bitters have become very popular here, and I wish a fresh supply immediately."

A. E. ADAMS & CO. say:

RICHMOND, La., June 2, 1853.

"Your Bitters give universal satisfaction to all who have used them."

You should bear in mind that these Bitters are entirely vegetable, thereby possessing advantages over most of the preparations recommended for similar diseases.

Sold by Druggists and Store Keepers in every town and village in the United States and Canadas, and by

AYER'S
CHERRY PECTORAL,
FOR THE RAPID CURE OF
Coughs, Colds, Hoarseness, Bronchitis, Whooping-Cough, Croup, Asthma and Consumption.

THIS remedy has won for itself such notoriety for its cures of every variety of Pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtue in any community where it has been employed. Its wonderful cures of the most distressing, and numerous the cases of its cures, that have occurred in this vicinity, are known to almost every other medicine of the kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of Coughs, Colds, Hoarseness, &c., and for Children, it is pleasant and the safest medicine that can be obtained.

As it has long been in extensive use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is for sale by
