## Example Importing from Remote Repository

[edit]

[File:MV house proceeding 07-21-09 02 part 1.40.59 to 1.41.19.ogv](#) "I want to end up by reading what was in the "wall street journal" in the front page. congress' chief budget scorekeeper cast a new cloud over democrat efforts to overhaul the nation's health care system telling lawmakers thursday that the main proposals being considered would fail to contain costs. they say it will, but this article and this man says it"
