

Dear teacher

We (Aleksandra Faber und Jessica Solfrank) are both students at the Kath. University in Eichstätt und are studying primary teaching and school psychology in the 5th semester.

During a seminar we want to arrange a questionnaire about the topic of learning difficulties. Therefore we are asking you to give the annexed questionnaire and the information sheet to the parents of the children.

The filled-in questionnaire is completely confidential.
The results can be seen on our Homepage (Address will be announced) and they will also be used in a presentation at the university.

Therefore we would like to ask you to collect the filled-in questionnaire **anonymous by the 19th December at the latest**, so that we can analyse the questionnaire on time

Feel free to contact us if you have questions:
