FADE IN:

EXT. MOVIE THEATER - EVENING

An older and very wise person and a young person (about 12 years old) have just seen the movie, Star Wars and are leaving to go home. They stop and stand in front of the theater; to look at the poster of the movie on the outside wall. The Sun has set and in the gathering twilight...

YOUNG PERSON

That was a great movie...

He turns on his IPOD.

A family walks by to purchase tickets to the next showing.

(CONT'D)

but I don't understand one thing.

OLDER PERSON

Hum, what's that?

YOUNG PERSON

I don't understand, how anyone can be seduced by the dark side?

OLDER PERSON

Walks a couple of steps, halts, thinks for a while...

The lights of the theater flicker.

What computer do you use at home?

A light rail car passes by on the street.

YOUNG PERSON

(immediate response, eagerly)

A Macintosh!

OLDER PERSON

(slowly)

But, what computer does your father use at work?

YOUNG PERSON

He thinks for a while and then smiles in amazement.

The bell RINGS 8 o'clock, in the old town clock.

(exclaims loudly)

Seduced by the Dark Side!

He turns off the IPOD.

(CONTINUED)

The older person smiles knowingly at the young person.

They begin walking slowly home together.

A throng of excited movie goers exits from the theater,
behind them.

(CONT'D)

There are a lot of other things I,
don't quite understand.
