EXT. MOVIE THEATER

An old (yet wise) person and a young (but curious) person are outside a movie theater where they have just seen the movie "Star Wars".

Now they stand looking at the movie poster on the wall outside the theater.

YOUNGER
That was a great movie... but I don't understand one thing.

OLDER
Hum, what's that?

YOUNGER
I don't understand how anyone can be 'seduced by the dark side'

OLDER
(thinks for a while)
What computer do you use at home?

YOUNGER
(immediately responds eagerly)
A Macintosh

OLDER
(slowly says)
But what computer does your father use at work?"

YOUNGER
(thinks for a while and then smiles in amazement, exclaiming loudly)
Seduced by the Dark Side!

The older person smiles knowingly at the young person. The young person is very happy knowing he has just learned a very important lesson. Now the two have formed a bond that will last a lifetime.

They begin walking slowly home together.
