Thanks for the opportunity to review this article. It is well written.

Thank you for your kind comment.

It is an innovative topic and it would not have occurred to me.

Thank you for your kind comment.

Done well with good statistical analyses and nice tabulations of results - very understandable.

Thank you for your kind comment.

The discussion and conclusion are startling and perhaps nonstandard but valid and interesting.

Thank you for your feedback.

Thinking outside the box like this may help keep us (practitioners) relevant!

Thank you for your kind comment.

I cannot really fault at all.

Thank you for your review of our work.
