4

Production steps

1. Choose presentation format
2. Choose recording and publishing method
3. Prepare the material
4. Practice
5. Record
6. Publish
7. Add URL to book chapter
8. Submit multimedia presentation

5

Step 1.
Choose presentation format

- Screencast (screen recording)
- Animation
- Slidecast (narrated slides)
- Video

The rest of these steps are for
Screencasts
(simple approach)

6

Step 2.
Choose recording and publishing method

- Screencastify
- Powtoon
- Prezi

The rest of these steps use
Screencastify
(a free Google Chrome extension)

7

Step 3.
Prepare the material

- Slides
 - Images (incl. copyright permission)
 - Text
- Script
- Props
- Microphone

8

Step 4.
Practice

Practice several times –
initially without recording and
then with recording

9

Step 5. Record

Slides at the end provide a more detailed breakdown of the recording steps

Use a microphone

(A dedicated microphone will record much higher quality audio than an on-board microphone)

Click the Screencastify icon to record. 

Record a few takes and choose the best one.

10

Step 6. Publish

Publish the recording

(e.g., to YouTube)

so that it has a publically accessible website address (URL)

11

Step 7.

Add the URL to the Wikiversity Book Chapter

Edit source and use this template:

`{{MECR3|1=Video URL}}`

e.g.,

`{{MECR3|1=https://www.youtube.com/watch?v=Ep2hYsofo6Q}}`

 Go to a 3 min. audiovisual overview of this chapter. 

12

Step 8.
Submit multimedia presentation

Submit the URL of the recording to the Multimedia submission assignment drop-box via UCLearn Canvas.
